COVER STORY

MECH CADETS #1

BOOM! Studios

General Park, head of Sky Corps Academy, must assemble a team of heroic Robo pilots to protect humankind from the alien Sharg! And Stanford Yu, Maya Sanchez, Frank Olivetti, and Park's own daughter Olivia are Earth's best hope against alien invasions! Fans of the highly anticipated Netflix series won't want to miss this perfect companion series by highly acclaimed writer Greg Pak (*Star Wars: Darth Vader*) and superstar artist Takeshi Miyazawa!

THE SACRIFICERS #1

Image Comics

"Tomorrow" is a harmonious paradise thanks to five families who make everything perfect... for the price of *one child per household*. Now, as the bill comes due, a son destined to pay the ultimate price and an affluent daughter who wants to destroy utopia, must unite to end one generation's unnaturally protracted reign. *New York Times*-bestselling writer Rick Remender (*Deadly Class*) joins forces with superstar Max Fiumara (*Four Eyes*) to take you through the dark SF world of *The Sacrificers*!!

042

THE CULL #1

Image Comics

Eisner-winning writer Kelly Thompson (*Black Cloak*) and superstar artist Mattia De Iulis (*Captain America*) team up for their first creator-owned work together! *Something is Killing the Children* horror vibes mix with *The Goonies*-style adventure as five friends set off to shoot a short film on a forbidden rock near their home the summer before they all go their separate ways. But that's not really why they're there. One of them has lied. And that lie will change their lives forever.

098

MIGHTY MORPHIN POWER RANGERS #111

BOOM! Studios

In the kickoff of this monumental 12-month event, Mistress Vile has apparently won (or so it seems)! As if an epic battle between Vile and the Vessel wasn't enough, the separated and stranded Rangers receive help from the last team they'd expect, but it may not be the help they were hoping for... In the tradition of *Shattered Grid* and timed for the 30th anniversary of *Power Rangers*, writer Melissa Flores (*Dead Lucky*) and Simona Di Gianfelice (*All-New Firefly*) kick off the event they've been building to for the last year that will forever change the Power Rangers universe!

MP-10

REALM OF X #1

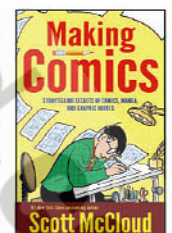

Marvel Comics

Leaping straight from the astonishing events of this year's *Hellfire Gala*, the unlikely team of Magik, Mirage, Marrow, Dust and Typhoid Mary find themselves stranded in... Vanaheim? And what's even more confusing, the locals seem to believe that they hold the key to fulfilling a prophecy that can either raise the realm to riches – or cause it to fall to ruin. With Magik's powers malfunctioning and a mysterious figure amassing power on the outskirts of the realm, these X-Men will need to work together to find their way home!

IN THIS ISSUE

IN THIS ISSUE: D.I.Y. MONTH 2023!

Comic Books have long been a prime example of the "Do-It-Yourself" or **D.I.Y.** spirit. Whether you're writing or drawing the next hit comic book, learning a new language, puzzling your way through a few thousand jigsaw pieces, or building an awesome Japanese robot model, you've been doing what you can to make 2021 better by making stuff yourselves! And as we prepare to launch headlong into the new year, we feature throughout this issue the stuff to which you can turn to feed your need to create! You can start with our curated list of **D.I.Y.** inspired books and merchandise on **Pages 260-261** of this issue, then look for the **D.I.Y.** icon throughout this issue!

PREVIEWS FROM THE EDITOR SUMMER'S HERE!

I'm not certain if the time is right for *Dancing in the Streets* (sorry Mick, David), but I do know it's the best time of the year in my humble estimation. I love summer. Always have, always will. The warmth of the sun. Comic book and toy shows all over the place. Flea markets every weekend. Movies and more movies. And spending time with friends. Summer's got it all!

And speaking of spending time with friends, I hope you were able to head down to your favorite comic shop on Saturday May 6th for Free Comic Book Day 2023! I made a couple of stops that Saturday morning — one in far-away Fulton, Maryland, to visit the *Lost in Time Toy Store* (who had a big sale going on for FCBD) and the other at my favorite local shop, *Collector's Corner*, Parkville! I ran into some old friends, and hopefully made a few new ones while I was at it! Regardless, a good time was had by all!

DIY This month, we celebrate the D.I.Y. impulse in this issue of **PREVIEWS**! Whether it's writing and drawing your own comics (something I've recently

started doing with friends... see the MAY23 **PREVIEWS**, Page 301 for our first release from Brilliant Enterprise!) or building a miniature model replica of a giant Japanese robot, we have tons of great books and merchandise to help you pass the summer days in style (and fun!). See pages 260-261.

July will bring us yet another San Diego Comic Con, and I am getting prepared for another big weekend of fun and fandom under the sunny skies of San Diego. Hopefully my con buddy Mark Haynes won't catch the COVID again this year, like he did in '22. #fingerscrossed

That's all for this month. Stay safe and get out there and enjoy the summer!

Your Pal @ **PREVIEWS**,

John Tyler Christopher Covers Overstreet Hero Edition with Red Sonja

John Tyler Christopher, the master of negative space comic book illustration, has turned his attention to Red Sonja for the cover of *The Overstreet Comic Book Price Guide* #53's exclusive Hero Initiative edition. Christopher, a Harvey Award-nominated illustrator, is known for his covers on *Star Wars*, *New Mutants*, *Witchblade*, *Voodoo*, and more.

Gemstone Publishing and the Hero Initiative, the first 501(c)(3) charity dedicated to helping comic book creators in need, have teamed up every year since 2010 for the exclusive Hero Initiative limited edition of the *Guide*. *The Overstreet Comic Book Price Guide* #53 goes on sale July 19, 2023. As with past collaborations between Gemstone and Hero, this version will be available only in a special hardcover edition, limited to 500 copies. There will be no soft cover edition of this version, and it will retail for \$44.95.

eMoviePoster's April Auctions Net Over \$719K

In April 2023, eMoviePoster hosted auctions filled with US and international posters, lobby cards, stills, and more, realizing a total of \$719,245. Top results included a *2001: A Space Odyssey* 40" x 60" for \$18,277, *Breakfast At Tiffany's* six-sheet for \$12,305, and *Charlie Chan At The Race Track* set of eight lobby cards for \$8,250. Other top sellers were a *Gunga Din* lobby card for \$1,651, *Out of The Past* half-sheet 1953 rerelease for \$1,404, *My Neighbor Totoro* Japanese poster for \$1,180, and *Dr. Terror's House of Horrors* three-sheet for \$1,050.

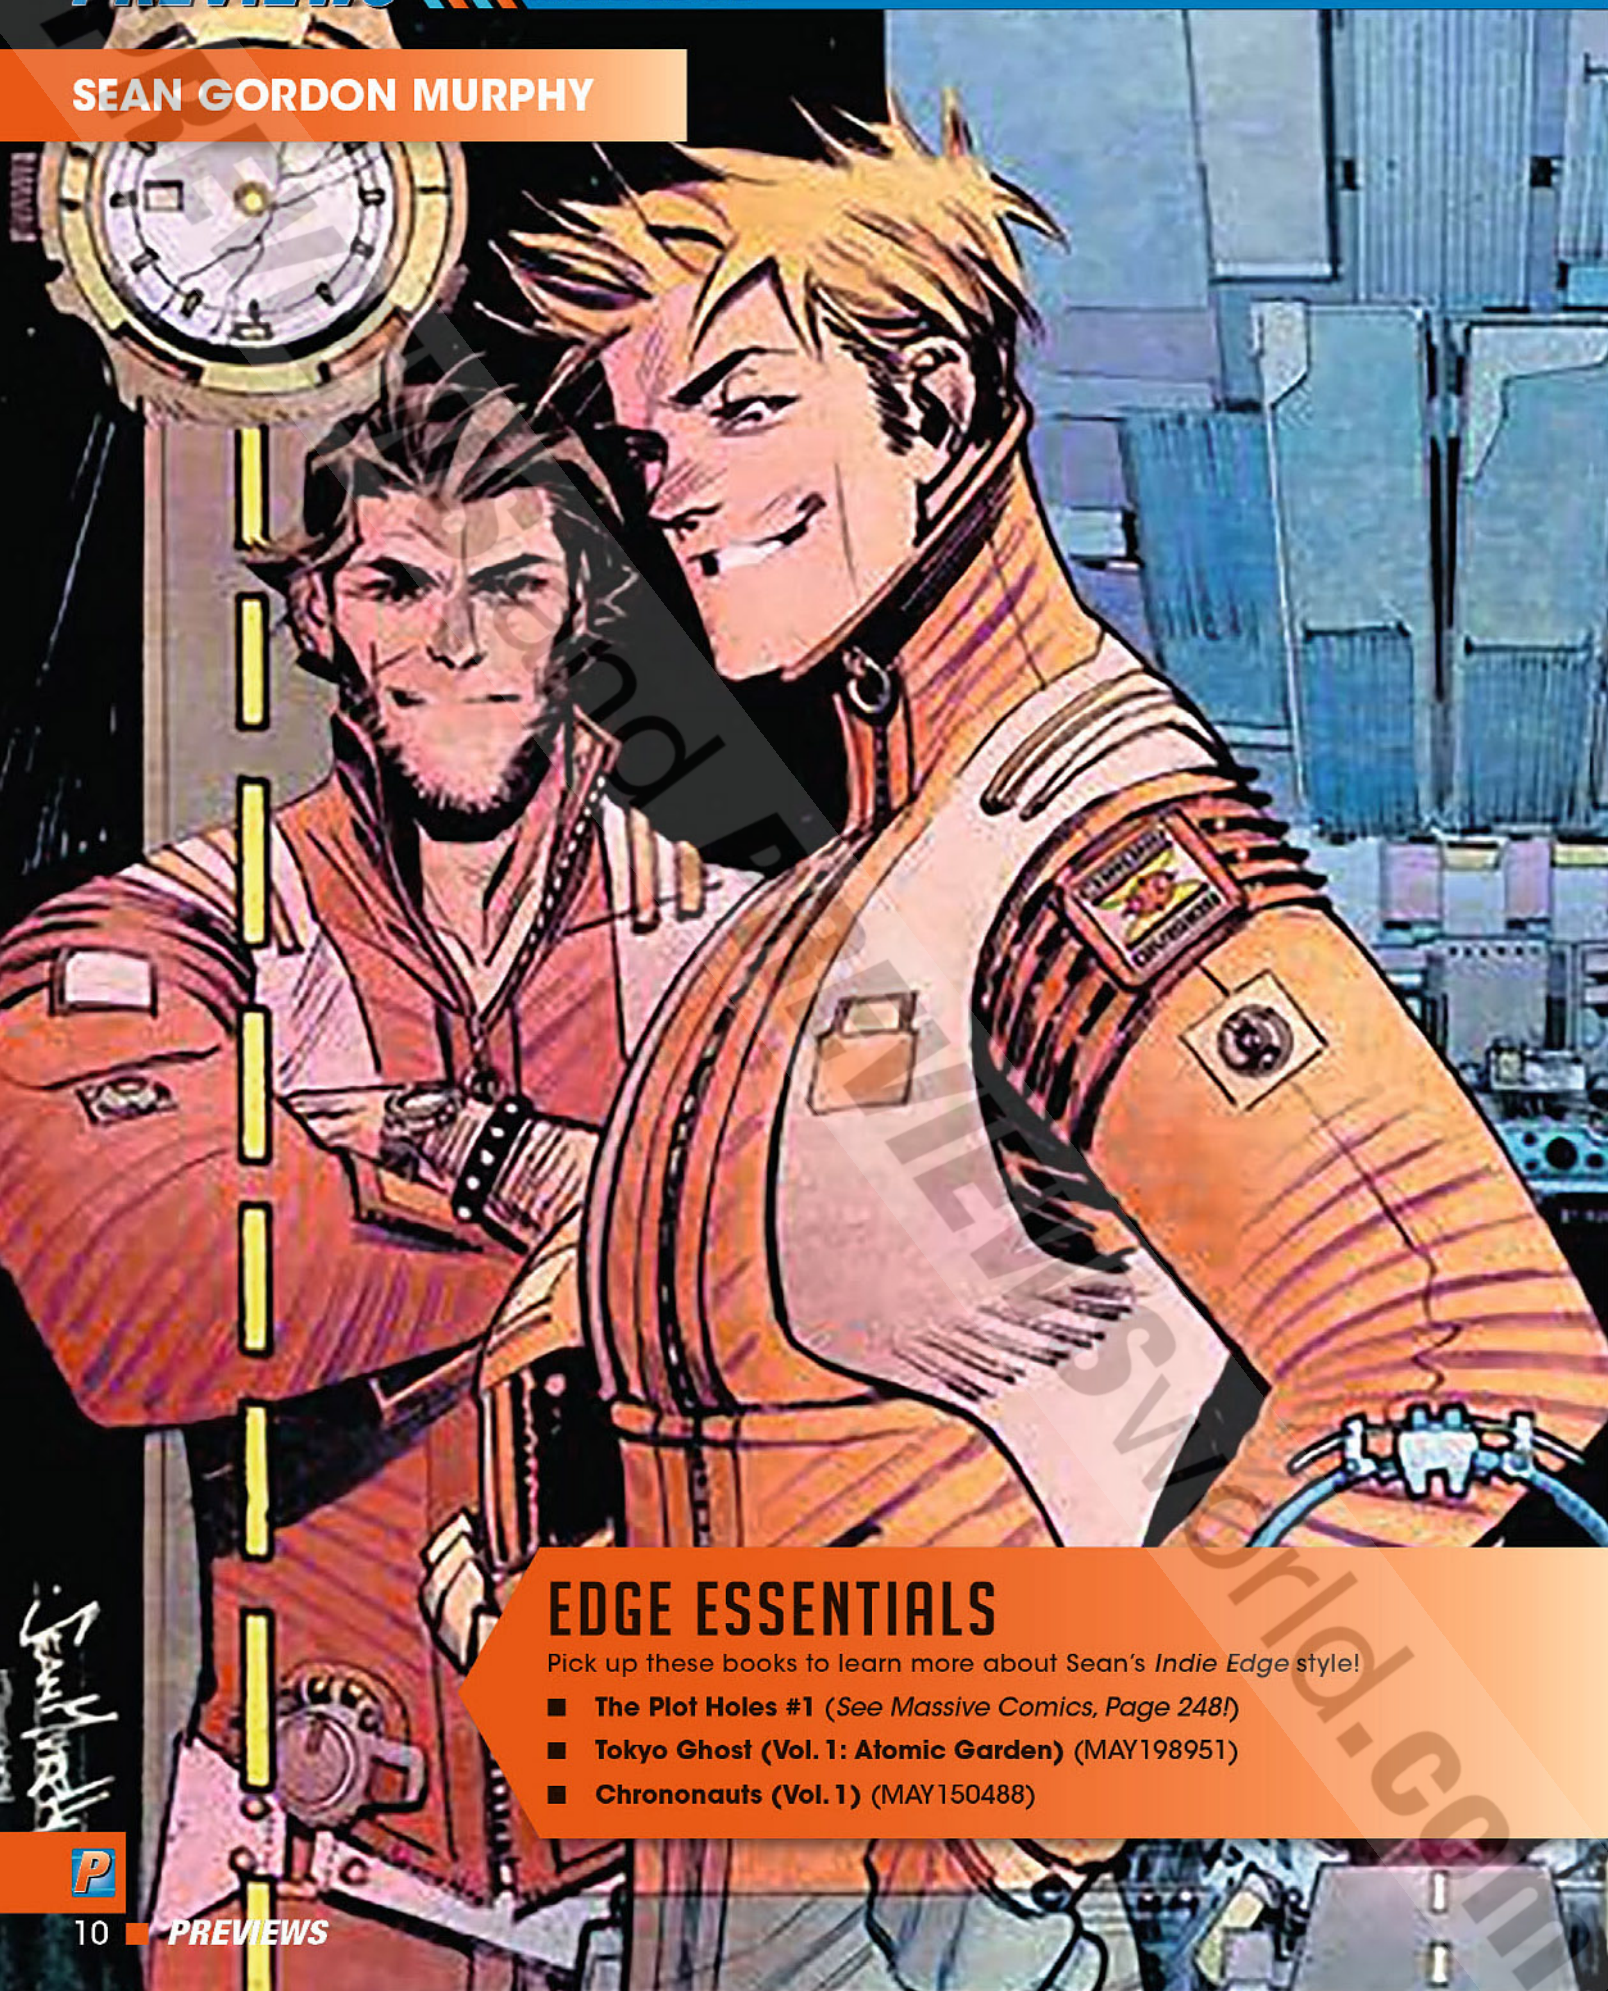

Bloodstrike: Elite. Resurrected. Assassins.

Bloodstrike is a top secret assassination squad of superpowered beings who work covertly for the US government. Created by Rob Liefeld, they debuted in *Bloodstrike* #1 (April 1993) and were originally published in his Extreme Studios at Image Comics.

Cabbot, the brother of former Youngblood member Battlestone, was the leader of the team. Under him were Deadlock (an ex-villain), Fourplay (a four-armed combat specialist), Tag (who could freeze people in place by touching them), and Shogun (who used powered armor). They were elite government operatives who died on a mission, and since the government was unwilling to let them go, they were put in Project: Born Again. Military scientists resurrected the team, only now they needed ongoing treatments to stay alive, putting them squarely under the government's thumb.

EDGE ESSENTIALS

Pick up these books to learn more about Sean's *Indie Edge* style!

- **The Plot Holes #1** (See *Massive Comics*, Page 248!)
- **Tokyo Ghost (Vol. 1: Atomic Garden)** (MAY198951)
- **Chrononauts (Vol. 1)** (MAY150488)

Please tell us a bit about yourself!

I'm the writer/artist of the *Batman: White Knight* imprint at DC Comics. But I also dabble in comics outside of Gotham, like *Punk Rock Jesus*, *Tokyo Ghost*, (Vol. 1: Atomic Garden / MAY198951) and *Chrononauts* (Vol. 1 / MAY150488). People in the business generally know me as the "car guy" in comics, because I'm a big gearhead and can't help but add vehicles and car chases to all my books. Including a lot of Batmobiles.

What are your favorite projects you've contributed to over the past decade?

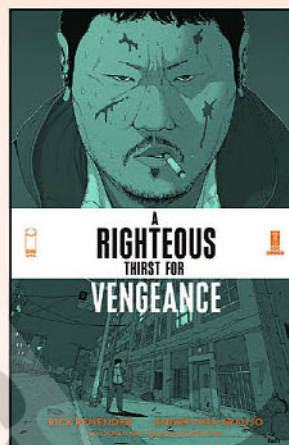

My favorite projects are the most personal ones, where I'm writing as well as drawing. For me, writing is a way to protect my artwork. Not only do I perform better when I have more at stake in the project, but I tend to write stories, settings and characters that I really want to draw. I often joke around that I'm really a B-level writer, but I make A-level books by fooling people with the quality of the artwork. At least, that's the attempt!

What are you currently working on?

I'm currently working on a *Zorro* comic, which hasn't officially been announced (I tease it a lot online, so it's not really a big secret). I've never licensed anything before, so it's been really fun learning a new set of skills that will help serve my career. And the careers of the people that I'll be able to bring along with me. (What Sean doesn't mention here is that he's offering the first issue of his new mini-series, *THE PLOT HOLES*, in this month's **MASSIVE COMICS** section on page 248, and it looks and sounds fantastic! -Editor)

What fun titles are you reading?

I usually pick up all the books my friends are doing. Like what Scott Snyder is doing at Dark Horse, or what Rick Remender is doing at Image. And of course, I always look forward to what Brian and Fiona are doing with *Saga*.

USER'S GUIDE

There's a *lot* of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

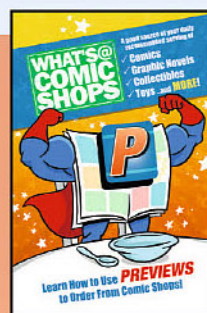

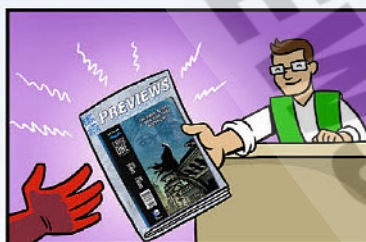

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of **PREVIEWS**, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through **PREVIEWS**! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, **PREVIEWS** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

ESSENTIAL ITEM

Essential Item

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in **PREVIEWS** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its **PREVIEWS** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

0 = No International Rights restriction;

1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;

1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Item is expected to ship within 30 days of the EST SHIP DATE.

1 = Item is expected to ship within 60 days of the EST SHIP DATE.

2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

USER'S GUIDE

ORDERING GUIDE

Ordering from your local comic shop is easy!

There are **3** simple ways to order:

1

Use the Short Order Form.

Fill in with the items you'd like to order from this issue.

2

Ask for the companion Customer Order Form.

We offer a companion order form that features a complete listing of every product offered in this catalog. Fill out what you want to order and hand in to your comic shop to place an order!

3

Ask your retailer about their "Pull & Hold" service.

Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of **PREVIEW'S**, Marvel **PREVIEW'S**, and the **PREVIEW'S** Customer Order Form each month so you can place your orders easily! For more information and to sign up, go to previewsworld.com/pullbox

UTOPIA COMES WITH A HORRIFIC COST IN IMAGE'S *THE SACRIFICERS*

Shirley Jackson's short story "The Lottery" has been a fixture of high school English classes for generations. A small American town holds an annual lottery, but the winner claims a grim prize—death by stoning at the hands of the townsfolk—to guarantee a good harvest. Rick Remender, Max Fiumara, and Dave McCaig put their own spin on the concept in their new Image Comics series, *The Sacrificers*.

The future the world is a utopia, but it comes at a cost. Five families maintain the world's perfection by sacrificing one child each. Children are born, purely to be sacrificed for what their families and the world would consider the greater good. In one of these families, a child born such is raised, unloved and unwanted, a child who wants only to be loved. Together, a boy who wants to live and a disaffected daughter of privilege join forces to end the barbarity of their utopia.

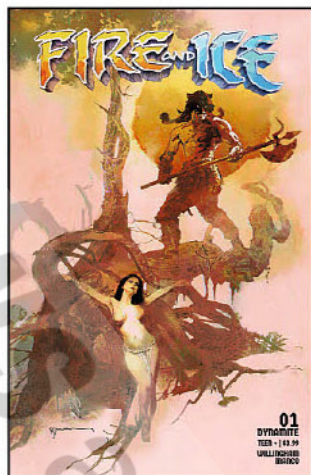

A fantastic work of imagination and character, Remender, Fiumara, and McCaig's *The Sacrificers* from Image Comics comes your way this August!

DYNAMITE RETURNS TO THE WORLD OF FRAZETTA AND BAKSHI'S ANIMATED CLASSIC, *FIRE AND ICE*

Ralph Bakshi's 1983 animated film *Fire and Ice* was a fantasy fan's dream collaboration — Bakshi, fresh from *The Lord of the Rings*; Frank Frazetta, the legendary fantasy artist; Gerry Conway, the Marvel Comics writer; and Roy Thomas, the Marvel writer/editor, writer of *Conan the Barbarian*, and creator of *Red Sonja*. Using the rotoscoping techniques Bakshi utilized on *The Lord of the Rings*, *Fire and Ice* told the epic story of a world locked into a devastating war between a queen who commanded the glaciers and a king who controlled the volcanos. *Fables* writer Bill Willingham and artist Leonardo Manco take readers back to the world of *Fire and Ice* in Dynamite Entertainment's new prequel comic. Set long before the events of the film, readers will discover how the world Bakshi, Frazetta, Conway, and Thomas came to be. Published to coincide with the film's 40th-anniversary, Dynamite's *Fire and Ice* will captivate a new generation of fantasy fans!

TWOMORROWS PROFILES PIONEERING PUBLISHER PACIFIC COMICS IN THEIR NEW BOOK

Pacific Comics, founded by brothers Bill and Steve Schanes, receives its due as a pioneer in the direct market and as a haven for creators this summer in TwoMorrows Publishing's *The Pacific Comics Companion*. With creators such as Jack Kirby, Dave Stevens, Sergio Aragones, Mike Grell, and more, Pacific Comics introduced the world to characters such as The Rocketeer, Groo, and Captain Victory, pioneered creator rights, and left a lasting imprint on the industry. Stephen Freid's book chronicles this important chapter in comics history, and *The Pacific Comics Companion* is an important and long-overdue retrospective of that pioneering publisher.

A NEW CHAPTER BEGINS FOR BOOM!'S MECH CADETS, NOW A NETFLIX SERIES

Greg Pak and Takeshi Miyazawa's *Mech Cadets*, soon making its debut as a Netflix animated series, returns to your local comic shop this summer in BOOM! Studios' new 6-part mini-series!

Earth's defense against the alien Sharg depends on the students of Sky Corps Academy and their training in piloting

the Robos, giant sentient mechs with whom the pilots form a symbiotic relationship. Under the leadership of General Park, four students — Stanford Yu, Frank Olivetti, Maya Sanchez, and Olivia Park — will be Earth's best hope against the Sharg threat.

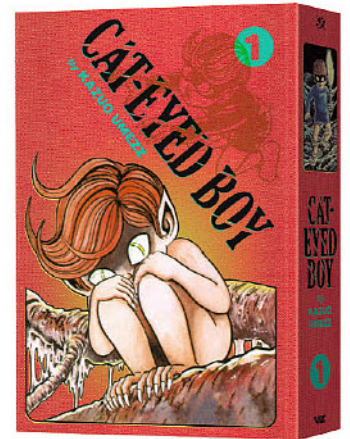

Perfect for new readers, viewers of the Netflix series, and fans of *Mech Cadets* Book One, BOOM!'s *Mech Cadets* promises super-robot action and character driven stories that will take you into space and beyond!

VIZ BRINGS CLASSIC MANGA CAT EYED BOY BACK TO PRINT

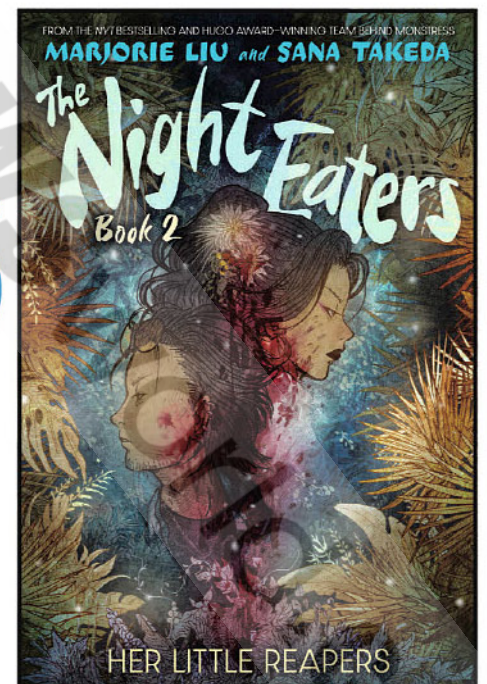

Kazuo Umezu's *Cat Eyed Boy* is considered a classic of horror manga. Originally published in 1969,

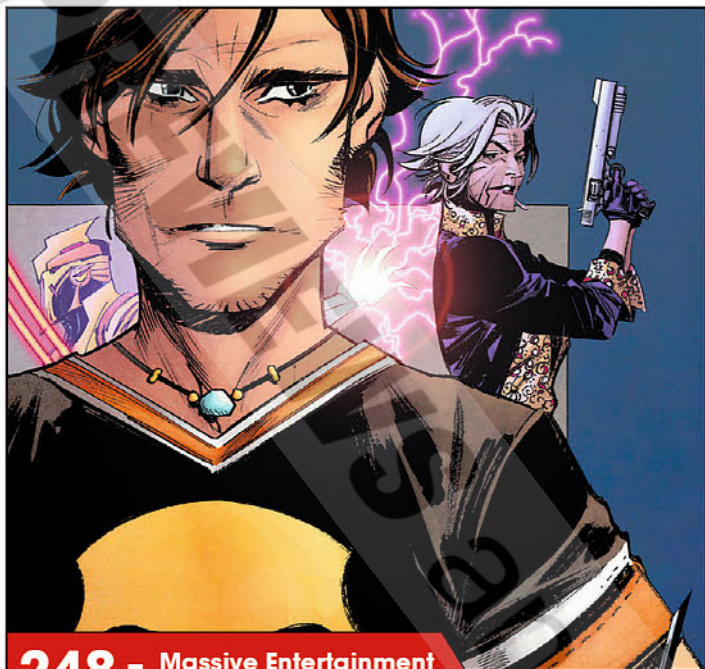

Cat Eyed Boy tells the story of a human-like monster with cat eyes, who travels the world, looking for a home and saving the humans who shun him from the monsters that haunt them. Out of print for fifteen years, VIZ Media brings the classic back to print in the hardcover *Cat Eyed Boy: The Perfect Edition Volume 1*. The gorgeous presentation of this historically important tale makes this volume a must-have!

FICTION WILL SAVE THE WORLD IN SEAN GORDON MURPHY'S MASSIVE SERIES, *THE PLOT HOLES*

It takes a special team of heroes to keep the plots of your favorite books, comics, and films from going awry. They are The Plot Holes, and they are refugees from unpublished books that could not be salvaged. Their newest recruit, Cliff, is a comic creator who learns that his life is someone else's unfinished story, and together they will save as many other characters and books from their fate. Enter the world of *Batman: The White Knight*'s Sean Gordon Murphy's new series for Massive Publishing, *The Plot Holes*, a metafictional tale that belongs on the same shelf as *Silverlock*, *Jurgen*, and *Tuesday Next*. Look for Massive Entertainment with the Deluxe Publishers in the **PREVIEWS** catalog, beginning this month.

TITAN COMICS EXPLORES QUENTIN TARANTINO'S LIFE IN A UNIQUE GRAPHIC NOVEL

Reservoir Dogs. *Pulp Fiction*. *Kill Bill*. *Inglourious Basterds*. *Once Upon a Time in Hollywood*. All these films stemmed from the creative force that is Quentin Tarantino, and this summer Titan Comics explores his life and work in the unique biographical graphic novel, *Quentin by Tarantino* from writer/artist Amazing Améziane. Charting his life from VHS film geek to Hollywood royalty, *Quentin by Tarantino* is a revealing examination of one of pop culture's most innovative creators.

This August, Titan Comics launches a **BRAND NEW** *Robotech* series — **ROBOTECH: RICK HUNTER**. After the devastating events of the *Macross* saga, Rick Hunter must face an all new threat, along with the ghosts of his past.

We spoke with **ROBOTECH: RICK HUNTER** writer, **BRANDON EASTON**, about this iconic title, and what readers have to look forward to in the coming series.

BRANDON EASTON *ROBOTECH: RICK HUNTER*

Hi Brandon. Thanks for taking the time to chat with us. Firstly, what has been your experience with *ROBOTECH* prior to writing this series?

You could say I was a part of the original *ROBOTECH* generation – I was a kid when the series first premiered back in 1985 and I watched every episode religiously. I literally fell in love with the show and characters and had an insatiable hunger for more *ROBOTECH* material. Then I discovered the novels by Jack McKinney (which was a pen name for two extremely talented writers) and searched for the comic books.

In those days, your local comic book shop was our version of the internet – in order to do research and learn more about a specific property you'd chat with the retailers as well as more knowledgeable fans. From there, I leaped down the *ROBOTECH* rabbit hole and never looked back.

***ROBOTECH* first aired in 1985 and still has a dedicated fanbase. Why do you think the title has remained so popular for so long?**

The characters, first and foremost. Whether you're talking about Rick, Lisa, Claudia, Roy and the other classic *Macross* Saga characters; or Dana, Bowie and Zor from Southern Cross; or Scott,

Lancer, Rook, Annie and Rand from *New Generation* – all those characters resonated with the fans from day one and we've all been emotionally invested for decades.

The other factor is the hyper-serialized storytelling. For many American fans of action animation, we never really had a show that had a singular storyline with direct consequences from episode-to-episode. At that time, it reflected a level of sophistication and maturity that wasn't present in other shows.

***ROBOTECH* is known for its epic mecha fights. How do you work with *ROBOTECH: RICK HUNTER* artist Simone Ragazzoni to translate such dynamic and action-packed battles onto the page?**

I want the comic to have the same dynamic and visceral action vibe from the original animation so I often share a ton of visual references, TV series clips and other resources to make sure the book reflects the same aesthetics we all enjoy.

Your upcoming series, *ROBOTECH: RICK HUNTER* focuses on the titular character himself. What do you find most interesting about Rick Hunter, and what was it like writing him?

Rick is an interesting guy because there's still much we don't know

about him and his relationships with other characters within the *Macross* Saga. Outside of the central love triangle with Lisa and Minmei, we don't see his interactions with Captain Gloval or others within the secondary cast (from the TV show). In the novels and comics that aren't considered canon, the fans have gotten to see more of his thoughts, feelings and experiences regarding the war and the trauma he's dealt with over the course of the *Robotech* Wars.

In this mini-series, I hoped to provide a broader context for his identity as a soldier as he reflects on the lessons he's learned from colleagues and loved ones.

Could you give us a spoiler-free summary of what *ROBOTECH: RICK HUNTER* is about?

The story takes place in the "dark spot" in the *ROBOTECH* mythology, between the end of the *Macross* Saga and the beginning of the Southern Cross storyline. Anatole Leonard and Army of the Southern Cross are expanding their power base and Rick is newly promoted to the rank of Major General. Suddenly, a series of deadly attacks around the globe are committed by the Rogue Zentraedi, in search of a destructive weapon that will finish the job that the Zentraedi armada started: the eradication of humans and the Earth itself!

BRIAN HABERLIN

ART & COVER

**BRIAN HABERLIN &
GEIRROD VAN DYKE**

In a world where your guild means everything, classless Sylv is labeled a **Barbarian**. She's a jack of all trades who can fight, pick most pockets, and cast a spell or two. But without official membership to a guild, she's barred from having adventures. No adventures means no money, and no money makes it awfully hard to support herself and her 7-foot-tall disabled brother. But when an underhanded cleric says he's got the quest of a lifetime for her, she can't really say no (even if she knows she should). It'll take every skill she's got to stay alive, save a child, prevent the fabric of the universe from being ripped apart, and prove that being multiskilled isn't totally barbaric.

Now a Netflix series, *Mech Cadets* makes a mighty return!

Fans of the highly anticipated Netflix series won't want to miss this perfect companion series by highly acclaimed writer **Greg Pak** (*Star Wars: Darth Vader*), superstar artist **Takeshi Miyazawa** (*She-Hulk*), and colorist **Ian Herring** (*Spider-Man / Deadpool*).

General Park—head of Sky Corps Academy—must assemble a team of heroes to protect humankind from alien invasions, and Stanford Yu, Maya Sanchez, Frank Olivetti, and Park's own daughter Olivia may have been pulled into the role by fate... as they are Earth's best hope. But there is more to their relationships with the symbiotic, sentient giant Robos they pilot... and the alien threat of The Sharg is far more epic and widespread than any could imagine!

While *Mech Cadets* makes a fresh debut for new readers and viewers, long-time fans can delight in having more adventures after the long awaited collection of *Mech Cadets Book One*!

DARKEST HOUR, the biggest event in the Power Rangers universe yet, **begins here!**

In the kickoff of this monumental 12-month event, Mistress Vile has won, or so it seems, with control of the Grid and Dark Specter's infections spreading through the universe!

As if an epic battle between Vile and the Vessel wasn't enough, the separated and stranded Rangers receive help from the last team they'd expect, but it may not be the help they were hoping for...

In the tradition of *Shattered Grid* and perfectly timed with the 30th anniversary of Power Rangers, writer **Melissa Flores** (*Dead Lucky*) and **Simona Di Gianfelice** (*All-New Firefly*) kick off the event they've been building to for the last year that will forever change the Power Rangers universe!

Fans of *Marvel Zombies* and *DCeased* wouldn't be caught dead missing out on the debut of the Dark Grid Variant Covers—the most twisted threats the Rangers have ever seen brought to life!

The prelude to the next monumental Power Rangers event DARKEST HOUR!

AN UNEXPECTED NEW TEAM OF POWER RANGERS ARRIVES!

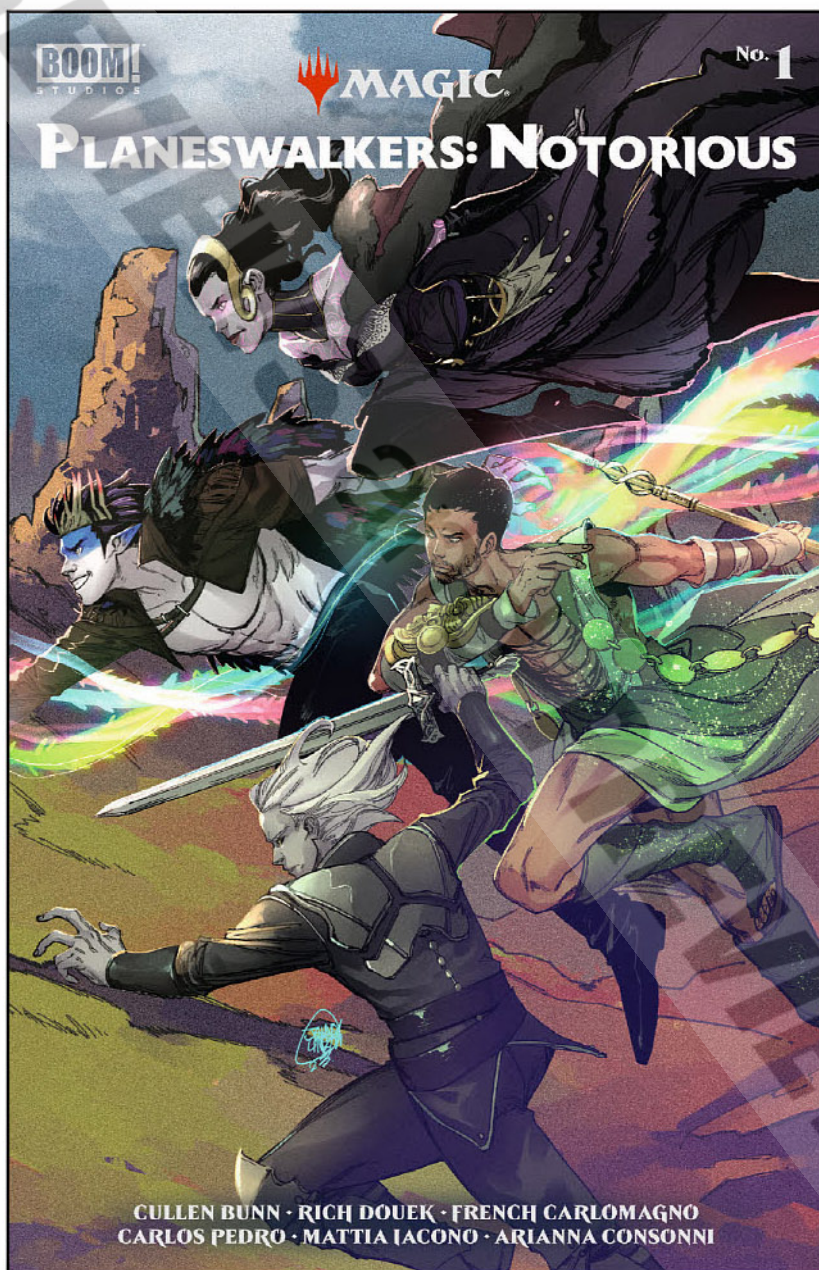

As if the medium-spanning, fan-favorite villain Drakkon wasn't enough of a threat, Mistress Vile has special plans, ones that will bring the Rangers' greatest foe into our world!

But this scheming isn't without consequences for Drakkon, and he'll have to take a page from the book of Zordon if he wants the world of the Coinless to survive. But who would be unhinged enough to join his team? As if they have a choice...

Acclaimed *Dead Mall* and *Jim Henson's The Dark Crystal: Age of Resistance* writer **Adam Cesare** teams up with *Mighty Morphin* artist **Moisés Hidalgo**, along with *Mighty Morphin Power Rangers* writer **Melissa Flores** and acclaimed writer, media personality, and voice of the HyperForce Pink Ranger in the HyperForce RPG, **Meghan Camarena** (*Radiant Pink*), bring the fan-favorite HyperForce Rangers from the screen to the page—for the very first time since their morphinominal first season! There's nothing to fear in the quaint town of Barlowe, New York—except, that is, for the Harrower.

The children think this boogeyman is just an urban legend, but this purveyor of puritanical vengeance is very real, and there's no escape. The Harrower seems unkillable, and spans generations, always returning...

Jessica Brink is a teenage girl, who, along with her equally skeptical friends, is in for much more than she could ever imagine on the night of a Halloween party. What gruesome secrets will she uncover as she flees the encroaching, bloody mayhem of The Harrower, the unstoppable force that stalks her and her friends?

This deconstruction of the slasher genre from writer **Justin Jordan** (*The Strange Talent of Luther Strode*) and artist **Brahm Revel** (*Teenage Mutant Ninja Turtles*) is the fresh and terrifyingly grounded take on the slasher genre horror fans have been dying for!

Jessica will learn that sometimes... THERE'S TERROR IN TRADITION.

What ghost stories do ghosts tell, and what can they tell us about ourselves?

An estranged daughter and her father wander a haunted land; they only have the restless spirits, each with its own story to tell, as company along the way. After a deadly accident of which they are the only survivors, Lucas and Harmony Agate can see the dead—an overwhelming amount of the deceased, all with their own warnings, cries for help, and malevolence alike. But Lucas and Harmony aren't the only ones with this ability; there are other nearly-deads, some of which have malicious motivations...

**FABLES AND BATMAN WRITER BILL
WILLINGHAM TACKLES THE UNTOLD
STORY OF THE WATERSHED ANIMATED
RALPH BAKSHI/FRANK FRAZETTA
MOVIE — IN TIME FOR ITS
40TH ANNIVERSARY!**

More than four decades ago, two iconic creators came together to bring to the silver screen an amazing new world of magic and adventure. In their classic animated film *Fire and Ice*, legendary artist **FRANK FRAZETTA** and famed director **RALPH BAKSHI** together with screenwriters **ROY THOMAS** and **GERRY CONWAY** crafted a unique vision of beauty and danger, of good versus evil, all cast against a hypnotic backdrop of savage prehistoric splendor. Now, at long last, this timeless vision is expanding into comics with the first new story to revisit Frazetta and Bakshi's remarkable realm since 1983!

Before the fire waned and the ice spread across the world...before Teegra met Larn...before everything you know about the unforgettable animated movie came to be, there were the before times — times when evil might still be blunted, times when innocence was not yet lost. In *Fire and Ice* #1, acclaimed comics writer **BILL WILLINGHAM** (*Fables*, *Legenderry*) joins forces with artist **LEONARDO MANCO** (*Hellstorm: Prince of Lies*, *Blaze of Glory*) — making his triumphant return to comics — and a new legend is about to be born!

RETURN TO THE FANTASY MASTERPIECE! WRITER BILL WILLINGHAM PLUS BAKSHI & FRAZETTA FAMILIES TALK HOW IT CAME TOGETHER

Fire and Ice is such an iconic film, a masterpiece forged between two creative forces at the peak of their powers. Over 40 years later, you're being tasked with bringing it back with a new tale added to the tapestry.

Willingham: I discovered both Frank Frazetta and Ralph Bakshi at an early age. My awareness of Frazetta was cemented the first time someone put a *Conan* book into my hands (on the bus home from junior high school). I quickly realized I'd seen Frazetta's work before on several of the Edgar Rice Burroughs *Tarzan* and *Pellucidar* books I owned and loved but hadn't yet pegged him as a particular artist.

I discovered Ralph Bakshi when almost everyone did, when the film *Wizards* was released. I was in college at the time and working a number of jobs to be able to afford it. One of those jobs was at a local movie theater. I got to see *Wizards* about a dozen times, twice a night for a week, and it ignited something profound in me. It was one of the contributing factors in my decision to attempt to make my living telling fantasy-adventure stories someday.

Now, 50-plus years later, there was a chance to work with these story giants (and make no mistake — one of the reasons Frazetta's work is so powerful is that he was, first and foremost, a storyteller. He was incapable of producing a single image that didn't suggest an entire story set in an entire world, and that's a good thing). I wasn't about to pass up the opportunity to work with these Giants in the Earth.

How did you approach this project initially in devising your story and how it would fit with the original?

Willingham: A prequel story was specifically requested. A prequel, especially to a

well-known story, is the hardest sort of tale to write. One has to be true to the original story, but not try to steal its surprises and revelations. It's the "got there first, did that first" syndrome that plagues most attempts at doing prequels. Remember how, in the *Star Trek* series *Enterprise*, that prequel crew seemed to go everywhere the original series crew did, but got there first? Anyone read all of those *Dune* prequels, where every surprise revealed in the *Dune* novel turned out to be well-known information? Done badly, prequels can ruin not only their own story, but the original story.

So then, my first rule was, don't ruin the *Fire and Ice* film. One small example: since Teegra and Larn meet for the first time in the film, I can't have them meet in this prequel series. They almost meet more than once, but they don't, because that wouldn't be true to the original tale. Darkwolf is mysterious in the film, so don't explain too much about him in the prequel. Don't yield to the strong temptation to explain everything. And so on.

That said, make it an interesting and compelling story. The stakes were high in the film, so don't make the stakes too low here.

There are several characters that struck a chord with audiences in the film, principally Larn, Teegra, and the mysterious Darkwolf. Will fans get to see these major players in the new comic series as well, and how will the spotlight be focusing on them?

Willingham: Yes. Absolutely they will.

Teegra and Larn are young enough in the film, so in the prequel, which will take place an untold number of years before the film, they'll be quite young. Larn will just be learning how to move from a child in his village,

to full manhood, with a man's responsibilities. Teegra is learning similar lessons in her coming womanhood from her mother, who's still alive in this prequel. While doing this, they get dragged into the early stages of the coming war between the realms of Fire and Ice. Darkwolf is aloof — much the same as he was in the film. We'll hint at a few things, but definitive answers about him will be few and far between.

Are there any other new characters in the mix?

Yes, Teegra's mother is one of them. She wasn't from the Kingdom of Fire, but was from a tribe of Panther-Totem people. Her marriage to Jarol of Firekeep was a political arrangement, to shore up some alliances. But authentic love grew from that, and Teegra grew up a child in both worlds. There are other new characters, but let's not spoil interesting secrets.

You're working alongside Leonardo Manco on this series. He's tackled a diverse range of fantasy, horror, monsters, and more in addition to the occasional capes in his storied career. What makes him a great fit for this story and the *Fire and Ice* world?

Willingham: He's a great fit for this world because he's a great fit for this world. You provided most of the list yourself: fantasy, horror, and monsters. He's masterful at all three, and the *Fire and Ice* world has boatloads of all three. His drawing is elegant, evoking the Frazetta designs without aping them. His visual storytelling is first rate too. As far as I can tell he has no weaknesses and no flaws. Not bad, huh?

Eddie [Bakshi] and Sara [Frazetta], the *Fire and Ice* story starts with both of your families coming together in perhaps one of the biggest collaborations in art at the time. Do you guys have particular memories connected to the film, whether contemporary or through the years following its release?

Bakshi: I can remember watching it with my friends when I was young and thinking how fun it was. Later, when I saw all the work required to make the film, I formed a deeper appreciation of the level of artistry involved. After seeing all the actual hand-painted cels and rotoscoping techniques used to make the movie, I came to admire it on a whole new level.

Frazetta: I remember my grandfather being so incredibly proud of making this film with Ralph Bakshi. He and I loved to watch films together, and of course *Fire and Ice* was one we watched countless times. The first time I ever watched the film, I fell in love with it for the beautiful backgrounds, the remarkable musical score by William Kraft, and then, of course, seeing the world of Frazetta and Bakshi come together through transcending rotoscope animation. My grandfather loved to reminisce on the process and journey this film took him on, and they were conversations I'll take with me until my last day.

What does it mean to you and your families to bring the story back into focus with a new chapter, as it celebrates four decades of fandom and influence?

Frazetta: My feelings for *Fire and Ice* are indisputable but love alone is not reason enough to make a new chapter. I've always had the desire to explore more character and world building around the film and doing this comic series has provided just that. Our team is truly out of this world. I'm so proud of everyone involved. There is so much heart, and the process has been overwhelmingly positive. This chapter for *Fire and Ice* will certainly expand the fandom and I know my grandfather would be proud of this type of expansion on a film that stands strong on its own.

Bakshi: It means the world to the Bakshi family. We were/are all involved with the movie in some way. It is wonderful to see a new chapter come to life!

Picking up where Vampirella: Year One left off, Vampirella/Dracula: Rage presents Vampirella as you've never seen her before. Inconsolable grief hardens into unquenchable rage as Vampirella tracks the cultists who threaten her son across Europe and America, unsettling political and economic alliances and unraveling the global network of the baby's father — Dracula!

In a macabre exchange of norms, it is Dracula, the Lord of Vampires, who now hunts the elusive Vampiri in an effort to save Vampirella from herself — or, more precisely, to save her from becoming like him. To this end, Dracula recruits Victory, once Vampirella's closest friend, to act as his ersatz Renfield while they try (and fail) to anticipate the next moves of a woman whose anger has now completely consumed her.

This bold new limited series bookends Vampirella/Dracula: Unholy, bringing Vampirella's conflict with the Prince of Darkness to its ultimate conclusion and setting up a dramatic change in direction for the Daughter of Drakulon!

VAMPIRELLA'S ULTIMATE RAGE IS UNLEASHED IN THE WAKE OF TRAGEDY

CHRISTOPHER PRIEST (*BLACK PANTHER*, *DEATH-STROKE*, *SUPERMAN: LOST*) BREAKS IT DOWN

Year One is in the rearview — fans got a peek at Vampirella's early days, while also keeping up with her current status following the big events of *Vampirella/Dracula: Unholy*. Now Dracula is back in focus for *Rage*. How has he come back into the picture?

[Mild spoilers for *Unholy* and *Year One*] In *Vampirella/Dracula: Unholy*, Vampirella married FBI Agent Matthew Ecsed as part of a blood ritual required to stave off the "Dracula virus," a necromantic strain created from Dracula's

DNA and passed down through generations to the unwitting Matt. The ritual succeeded in averting Matt's becoming Dracula, but not before Matt passed the virus on to someone else.

An unforeseen complication of Vampirella's efforts to save Matt was her discovering she was expecting her first child. *Vampirella: Year One* features our vampire mom-to-be telling her origin story to her unborn child. *Year One* concludes with Vampi going into premature labor, leading to our new story, *Rage*.

See what happens when you miss an issue?

Although now severed from the Ecsed family line, Dracula has been resurrected in the bloodline of another. He knows Vampirella's son is a carrier of the Dracula virus, his own DNA, which makes this a child of Dracula and a carrier of his legacy.

The finale of the last series was teased with the birth of Vampirella's baby, as she was pregnant throughout it in the scenes set in the present. Due to some shifting of story beats, the next baby reveals are happening here — but we hear it's not set to be so happy ever after. What is setting off this titular *Rage* for our heroine?

After suffering terrible birth complications, Vampirella awakens in *Rage* #1 and is told her baby did not survive. However, she soon discovers this is not true. Deranged cultists have stolen her baby, and Vampi launches out to hunt them down.

You've described Vampirella in this story as a "shark," which fits well with her vampire abilities as well. She's lurking in the dark, hunting victims, and she smells blood in the water. How is this vision of Vampirella going to be so starkly different from how fans are used to seeing her?

Having tracked the cultists, Vampirella is on the verge of recovering her son when the newborn infant is murdered before her eyes. This triggers an inconsolable rage within her, stripping away her compassion and goodness while revealing a Vampirella we've never seen before.

These people murdered her son. Now she's going to kill *every damn last one of them*.

This, ironically, puts Dracula on the side of the angels as he pursues Vampirella in an effort to save her from becoming completely consumed by hate and, therefore, becoming as evil as he is.

The Vampirella mythos has been built up quite a bit since you took the wheel for our 50th anniversary celebration in 2019. What other characters can we expect to see in *Rage*? We hear Victory will be swinging through for an appearance, while fans can also check out her solo efforts in her new series.

Ha ha! Victory doesn't swing (or does she...?). Victory becomes Dracula's ersatz Renfield for this story arc. We will not see much of Vampirella's supporting cast as this is a much leaner and more tightly focused story: she's hunting, she's killing, can Drac prevent Vampirella from losing her soul?

In pacing and tone *Rage* will be much more like *Lone Wolf & Cub* than *Paper Girls* (both series I love, by the way). Tonally it will be a rapid departure from the kinds of stories we've typically done in this shared universe, as we push a good and noble character well beyond what she can reasonably bear. She's going to kill *every damn last one of them*.

Critically acclaimed European artist ERGÜN GÜNDÜZ rejoins legendary writer CHRISTOPHER PRIEST for an expanded reimagining of Forrest J Ackerman's classic origin story in *Vampirella: Year One*, collecting all six issues of the original series. With framing sequences set in the present day illustrated by GIOVANNI TIMPANO, the story explores the exotic world of Drakulon, the pressures that caused Vampirella to leave, and her first days on Earth, beginning with the day of the Apollo moon landing in 1969. Lost, alone, unable to speak or read our language, Vampirella makes her first friends (Pantha, Pendragon) and runs afoul of new enemies in this multifaceted period piece that revisits the turbulent world of the original 1970s Warren stories!

The *Starfinder* Roleplaying Game is a science-fiction/science fantasy role-playing game published by Paizo Publishing. It is built on Paizo's previous game, the *Pathfinder* Roleplaying Game, both in its game mechanics and universe, but adapted to a more futuristic style than its fantasy predecessor; game content is intended to be easily convertible between the two systems. Like its predecessor, the *Starfinder* RPG supports adventure paths and other material written by Paizo and third party publishers.

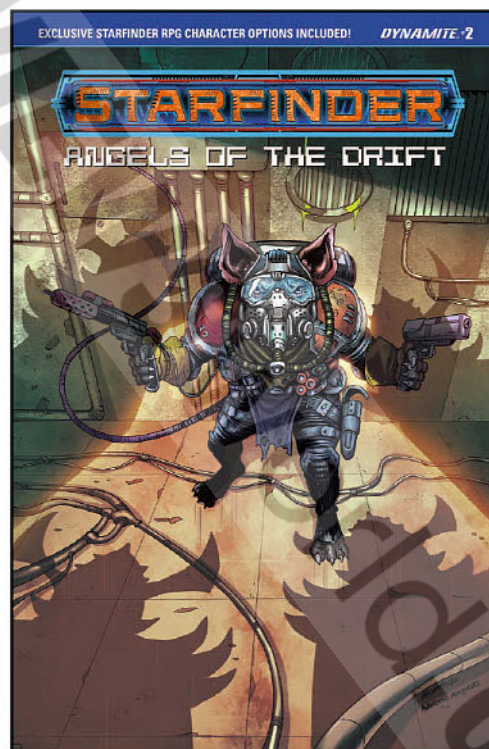

Paizo Inc. is publisher of the award-winning *Pathfinder* Roleplaying Game, *Pathfinder* Adventure Card Game, *Pathfinder* Tales novels, *Starfinder* science-fantasy roleplaying game, as well as numerous board games and accessories. In the 15+ years since its founding, Paizo has received more than 100 major awards and has grown to become one of the most influential companies in the hobby games industry.

Paizo.com hosts a leading online hobby retail store, offering tens of thousands of gaming products from a variety of publishers to customers all over the world. The website is also a portal for Paizo's organized play campaigns and *Starfinder* and *Pathfinder* communities.

Hades — the lord of darkness! The most deceitful and scheming of the Greek gods!
The one god not invited to the weekly brunch at Mount Olympus!

Obviously, a slight like this calls for the total destruction of the gods of Olympus. To make that happen, the hot-tempered ruler of the underworld needs to acquire the magical Golden Fleece of Colchis. Unfortunately, the Fleece is guarded by a sleepless dragon and soldiers made out of teeth, so Hades assembles a ragtag group of morally questionable adventurers to help him steal the Fleece before some dude named Jason and his Argonaut bros swoop in and ruin his perfectly logical plan. It's absolute chaotic hilarity courtesy of writer ELLIOTT KALAN (*Spider-Man & The X-Men*) and artist ALESSANDRO RANALDI (*Zorro*)!

WRITER ELLIOTT KALAN HEATS THINGS UP WITH BELOVED DISNEY VILLAIN HADES!

Hades is of course the main villain from the movie *Hercules*, Disney's take on the classic Greek myths and part of their celebrated renaissance era. Do you recall your first time viewing the movie or all of the media that flowed out of it, or key memories and thoughts on Hades from it?

I was already a teenager when *Hercules* came out, and a little old — according to my friends — to go see it in the theaters. So of course I saw it in the theaters anyway, because Disney had been on an epic roll for the past decade or so, and I really enjoyed it. There was something special to me about the filmmakers not going the straightforward, dry, epic, serious route that seems baked into the source material and instead having fun with it and being really silly. I took to Hades right away. I've always loved villain characters, and I'm a sucker for demons and devils, so instantly he was my favorite character in the film. Plus, he was the funniest one there. He shot into my top five Disney villains pretty quickly. (Though no one can ever take the top spot from my beloved Ursula the sea witch.)

As mentioned, Hades obviously takes a lot of inspiration from the legendary mythology of Ancient Greece, with that extra Disney twist of flavor on top. Have you long been a student of those myths, and how are you looking to them for further influence as you build out this new chapter for *Hades*? Are there any key characters or elements that were not seen in the film but will be here in this series?

I've had an interest in mythology, and

especially Greek mythology, ever since I was a kid and got my hands on Edith Hamilton's classic *Mythology*. I loved the variety of creatures and heroes, and I loved how intertwined they all are. Before I got caught up in any superhero universes, I was deep into the Greek mythos with its complicated continuity and exciting stories of heroes and monsters and poorly behaved gods. One of the most exciting things about writing this series has been getting the chance to throw in a ton of Greek mythic characters who didn't make it into the *Hercules* movie. Hades is after the Golden Fleece, which means he'll have to face Jason and the Argonauts, and Hades has got Arachne, Icarus, Orpheus, and the Minotaur on his team. Medusa's in there, and Charon and Chiron, and I even get a dig in at Cloacina the sewer goddess, who's technically Roman and not Greek, but give me a break, how was I not going to include a sewer goddess?

Hades was not only a foe to Hercules, but often at odds with all his fellow Olympians. We imagine that's the case once more in this story. What is he up to this time?

This story is very much incited by Hades's resentment toward the other Olympians. When Zeus snubs Hades by not inviting him to the Olympians' weekly Sunday brunch, Hades decides he needs to show them who's the greatest god of all. That's going to mean obtaining the powers of the legendary Golden Fleece, which means it's a straight-up heist, and for a straight-up heist you need a team. So, Hades drafts spider-girl Arachne,

winged Icarus, emo singer Orpheus, and the childlike but super strong Minotaur to be his patsies...um, I mean...to “collaborate with him” in getting past the sleepless dragon that guards the Fleece. Of course, our heroes don’t entirely get along and Hades is an overconfident, arrogant, shortsighted, look-before-you-leap kind of god, so things aren’t going to be as easy as he expects it to be.

Hercules was one of those beloved Disney films that leaned even a bit further into comedic elements. A big part of that was the take on Hades, with the voice of James Woods going a long way. That signature characterization, and of course the design from the animation team, has placed him toward the top of fans’ favorites and the *Disney Villains* cast. You’re no stranger to comedy, with contributions to *Mystery Science Theater 3000*, *The Daily Show*, and some great comics like *Spider-Man* and the *X-Men* that have spawned huge memes. How are you approaching bringing that same comedic energy to the comic?

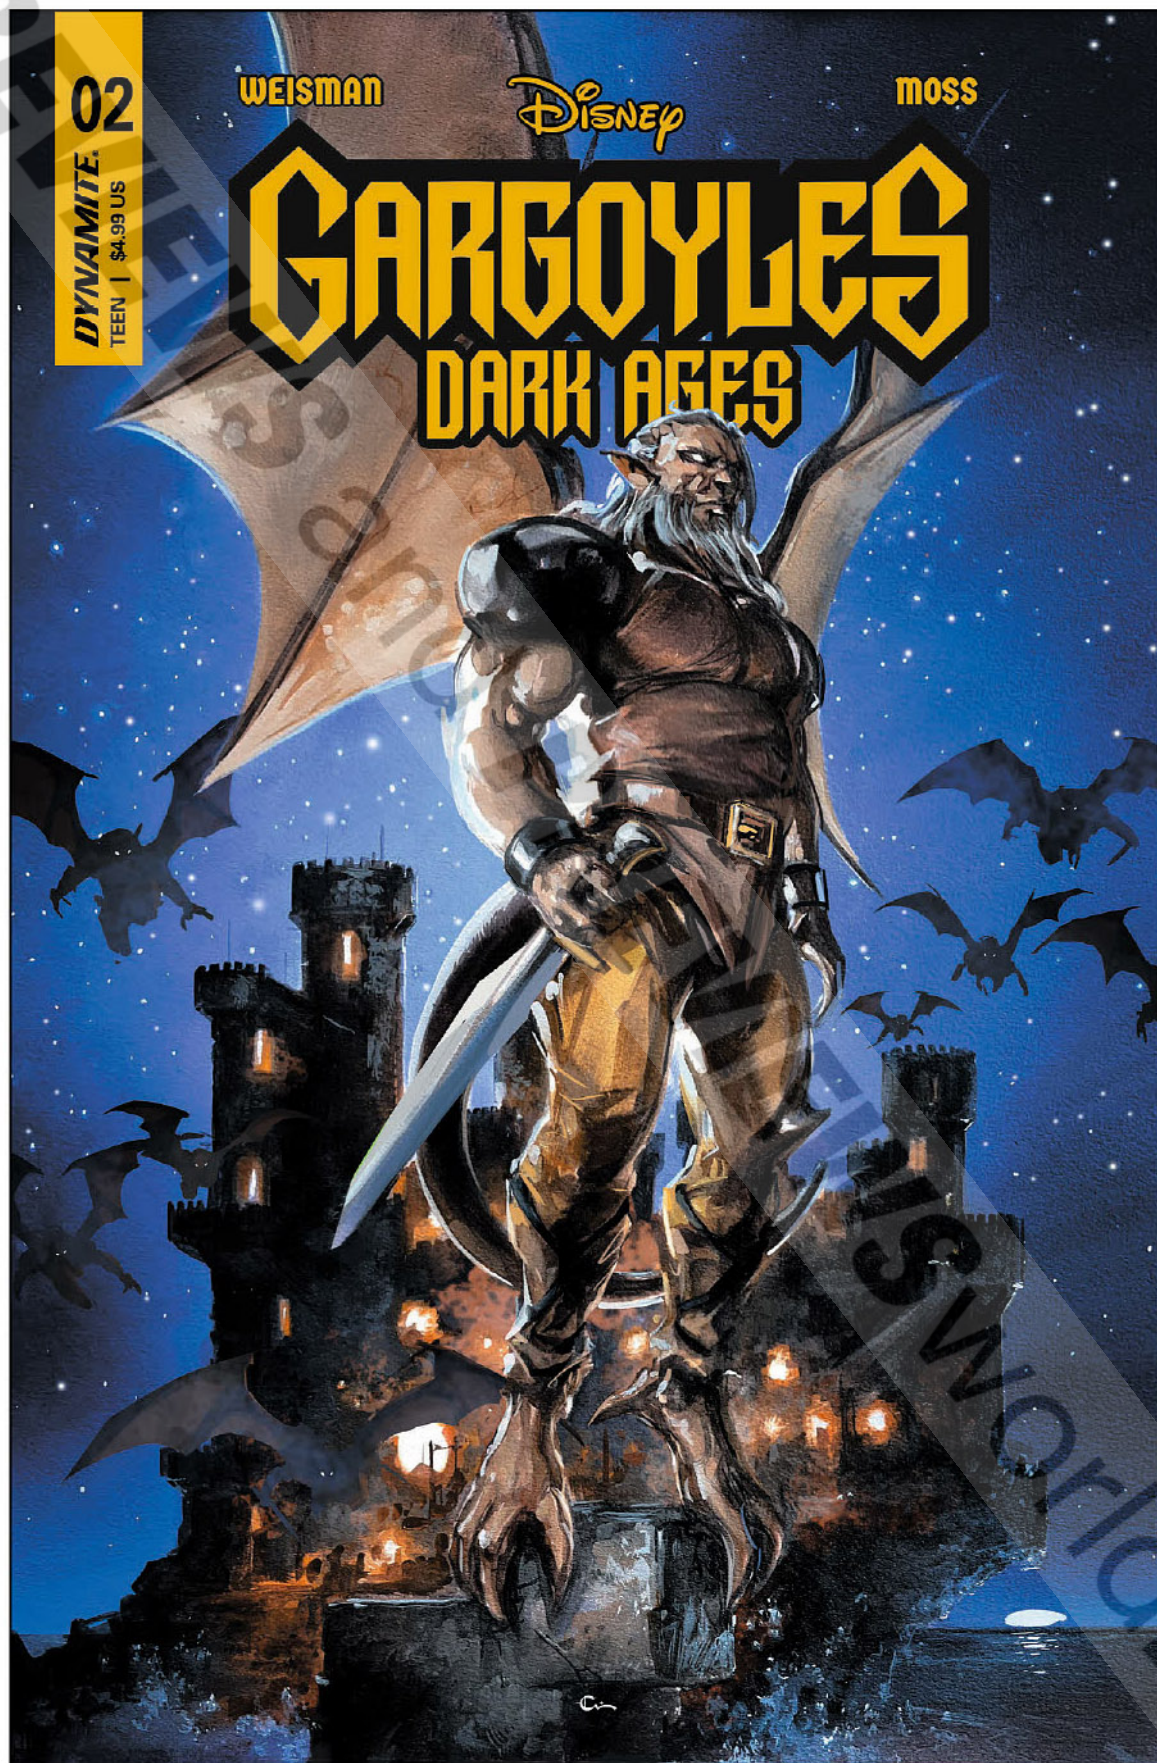

I wish I didn’t, but I basically sweat and bleed comedy. Any time I try to write something serious, it ends up having jokes in it. So, I’ve been giving myself the permission to let my comedy half (which is really more like a comedy 90%) have free rein and just be silly with things. I’m not letting myself get too far, because I want the stakes of the story to feel at least a little real. Hades and our characters aren’t talking directly to the reader or acknowledging they’re in a comic book. But there’ll be lots of quips and come-uppances, and undercutting of seriousness, and just plain silliness. For example, Hades needs a boat to get to Colchis, the island where the Fleece is held, so he

enlists Charon, the boatman who rides dead souls across the river Styx into the underworld. This means we get to see the back-up on the shores of the Styx, as dead souls irritably wait for Charon to return and do his job properly. That’s a one-panel joke that I couldn’t resist the temptation to throw in.

Alessandro Ranaldi is joining you as artist for the book, following his tackling of a very different era of world mythology in *Immortal Red Sonja*’s melding of Arthurian tales. He also drew the throwdown epic of *Vampirella vs. Red Sonja* with us. From how the collaboration has gone so far, what do you feel he’s bringing to the table with his style and skills?

I love the energy and style that Alessandro is bringing to his pages and character designs. He’s got the look of the characters down, but makes them feel like his own, and imbues them with real intensity. I’m a big fan of comic book art where the characters feel like they’re leaping off the page and every image is filled with as much emotion as you can get, and Alessandro has got that down. His Hades looks genuinely a little scary while also still looking and acting funny. I can’t wait to see what he does with the rest of the series — and I apologize that my love of Greek myths is going to make him draw a lot of characters. Sorry, Alessandro! I couldn’t help it!

In this second installment of the “Dark Ages” saga, Kenneth and Mentor’s human and Gargoyle alliance battle King Culen’s army (with some magical help from the ARCHMAGE). Mentor orders Goliath’s generation to stay back, as they aren’t yet seasoned warriors, but Angel and Hyppolyta disobey Mentor’s order and join the fighting — at great cost.

The first collection of Darkwing Duck's all-new adventures is here at last!

Alongside his trusty sidekick Launchpad McQuack, Darkwing Duck hyper-vigilantly defends the citizens of St. Canard against the dastardly, devilish demons who would wage wanton war upon them! By night, our caped defender lurks in the shadows, striking fear (and maybe confusion?) into the hearts of the criminal underworld. But by day, no one suspects that Darkwing is also mild-mannered Drake Mallard, a well-meaning father to his adorable adopted daughter, Gosalyn!

Can Darkwing/Drake successfully navigate his two separate lives, all while looking incredibly cool and impossibly handsome? Well, probably not... but you'll have to read the whole thing to find out! Collects the first six issues of the avian avenger's new ongoing adventures from author AMANDA DEIBERT and artist CARLO LAURO.

To celebrate this milestone, Dynamite Entertainment is proud to present three special editions of this outstanding new collection, with covers by acclaimed series regulars DAVID NAKAYAMA and LESLEY "LEIRIX" LI!

2018 DRAGON AWARD WINNER FOR BEST GRAPHIC NOVEL!

BRANDON SANDERSON'S WHITE SAND OMNIBUS HC

FC | 496 pages | Fantasy | \$70.00 | Teen+ | 8/2/23

writers: Brandon Sanderson and Rik Hoskin
artists: Julius Gopez, Fritz Casas, and Julius Ohta
cover: Nabetse Zitro

The epic tale by New York Times best-selling author Brandon Sanderson returns in an incredible deluxe anniversary omnibus edition! Celebrating five years since the title's debut, we have collected all three volumes of this seminal tale into a massive, nearly 500-page tome that tells the complete story in a single beautiful hardcover.

On the planet of Taldain, the legendary Sand Masters harness arcane powers to manipulate sand in spectacular ways. But when they are slaughtered in a sinister conspiracy, the weakest of their number, Kenton, believes himself to be the only survivor. With enemies closing in on all sides, Kenton forges an unlikely partnership with Khriiss — a mysterious Darksider who hides secrets of her own. Assassins are coming for them from all directions, and Kenton's only true ally is Khriiss, a visitor from the other side of the planet who has an agenda of her own to pursue.

"There's something extremely gratifying about writing stories and characters and then seeing them come alive in a graphic medium. The Dynamite and Dragonsteel teams have created something truly special."

— Brandon Sanderson

PRAISE FOR WHITE SAND

"WHITE SAND IS THE HIDDEN GEM OF SANDERSON'S COSMERE."

— TOR.COM

Billy Butcher, Wee Hughie, Mother's Milk, The Frenchman, and The Female are The Boys: A team of very dangerous people dedicated to the struggle against the most dangerous force on Earth – superpower!

After Hughie meets the team, dark avenger Tek-Knight and his ex-partner Swingwing are in trouble in "Get Some." One has lost

control of his terrifyingly overactive sex-drive, and the other might be a murderer. Then, in "Glorious Five-Year Plan," The Boys travel to uncover a super-conspiracy that threatens to spiral lethally out of control.

The Boys Omnibus Volume 1 features bonus art materials, the script to issue #1 by Garth Ennis, a complete cover gallery, and more! Collecting The Boys #1 - 14!

FC | 344 pages | Superheroes
\$29.99 | Mature | 8/2/23

Everyone has something to get off their chest: Frenchie and the Female are up to something with the Mafia, Mother's Milk goes to see his mom, Annie January wants a word with God, and Butcher enjoys another ghastly tryst with CIA Director Rayner. The Legend, meanwhile, tells Hughie everything he wants to know about The Boys – all Hughie has to

do is take a walk with the dead.

In "We Gotta Go Now..." All is not well with mysterious millionaire John Godolkin's band of misfits. Silver Kincaid, one of the original G-Men, has just committed suicide in the most public and grotesque way imaginable. There's far too much at stake for anyone to go poking around the G-Man-sion now. Who knows what dirty secrets might be waiting in the dark?

THE BOYS OMNIBUS VOL. 3 TRADE PAPERBACK

writer: Garth Ennis
artist: Darick Robertson

FC | 328 pages | Superheroes
\$29.99 | Mature | 8/2/23

Have you ever wondered what really happens during crossovers? The Seven, Payback, Teenage Kix, Fantastico, and every other superhero on Earth team up for an annual event like no other – and where the superheroes go, can a certain "five complications and a dog" be far behind?

You can only maim and murder so many superheroes before someone decides to do something about it, and in The Boys' case that means Payback – a superteam of unimaginable power, second only to the mighty Seven. Pulping teenage supes is one thing, but how will our heroes fare against Soldier Boy, Mind-Droid, Swatto, the Crimson Countess, and the Nazi juggernaut known as Stormfront? Blood flies and bones shatter, as Butcher and company meet fire with fire.

THE BOYS OMNIBUS VOL. 4 TRADE PAPERBACK

writer: Garth Ennis
artists: Darick Robertson, John McCrea

FC | 328 pages | Superheroes
\$29.99 | Mature | 8/2/23

Where are the real superheroes? Hughie finds out when he meets the teenage adventurers known as Superduper...but Butcher has learned his secret. A dire scheme is set in motion, and at the superhero evangelist festival of Believe, Hughie's relationship with Annie January – aka Starlight of the Seven – reaches its terrible conclusion.

Then, in a story featuring everyone's favorite pint-sized Scotsman, Wee Hughie heads home to Auchterladle – the semi-idyllic Scottish seaside town where he grew up. But our hero's luck has always been more cloud than silver lining, and the familiar surroundings he craves are not all they might be. Old pals are warped beyond recognition, strangers in town are up to no good, and a figure from Hughie's past has come back to resolve some unfinished business.

THE BOYS OMNIBUS VOL. 5 TRADE PAPERBACK

writer: Garth Ennis
artists: Darick Robertson, John McCrea

FC | 420 pages | Superheroes
\$29.99 | Mature | 8/2/23

The long-dreaded superhuman conflict is on its way. But first there are secrets still to be uncovered, like the story of the team's first encounter with supergroup The Seven. Then, Colonel Mallory walks Hughie through the filthiest black ops imaginable. And a shadowy force sets events in motion that will push even Butcher over the edge.

Then...he could have been a very different man. Billy Butcher once had a chance at another life entirely – when the love of a good woman pulled him aside from his dreadful path of violence and despair. This is the story of Billy and Becky, told by the man himself: from the backstreets of London's East End to the carnage of the Falklands War, from the heights of love to the depths of tragedy. And when he's done, he'll be ready to finish things once and for all.

FC | 320 pages | Superheroes
\$29.99 | Mature | 8/2/23

It's been a long time coming. When the Homelander finally sets an army of superheroes against the forces of the United States military, Billy Butcher and The Boys must finish the job they were recruited for: to take every superhero out of the picture. While the battle rages on the White House lawn, Frenchie and the Female are unleashed, Mother's Milk uncovers a terrible secret at Vought-American, and Wee Hughie discovers the senses-shattering truth behind Butcher's ultimate plan of vengeance.

Garth Ennis and Darick Robertson proudly present the final, bloodiest chapter of The Boys.

Victory, Vampirella's erstwhile lover and inexplicable object of interest to Lilith, is also the not-so-proud owner of the Belial ring. Why does that last part matter? Well, because the ring used to belong to a demon, it draws Victory to evil, and it's mystically bonded itself to her — permanently. (Lucky her!) On the bright side, it also gives her nifty powers like flying, shooting bolts of mystic energy, and being able to transform that energy into specific shapes like she's some lost third Wonder Twin. But ever since it landed on her finger, Victory has been wondering why so many demons are trying to kill her to get a ring that she'd just as soon not have. Now she's going to get an answer, whether she likes it or not, as the ring pulls her into a head-on confrontation with an evil the likes of which she has never known!

AUG221066

Hannah's dealing with a lot in her first year of college and to make matters worse, she's also battling her own brain, in the form of anxiety and depression. Fortunately, her therapist has put her on some meds to help, but those meds cause some unintended side effects, like sleepless nights, pounding headaches...and superpowers.

WRITER/ARTIST: KIM SANG-YEOP

SOFTCOVER | 400 PAGES | BLACK AND WHITE

AGES 13 AND UP | MANHWA, ACTION/ADVENTURE | \$19.99

Coming of age fantasy with a unique mix of supernatural action!

High school freshman Sung-woo lives alone in a big traditional Korean house inherited from his grandfather. He has a great skill to restore objects such as antiques to their original condition. He also has a supernatural ability to see souls, which are sometimes tied to these objects. Trying not to reveal his ability, he secretly helps friends and people around him fix their broken stuff.

Sungwoo's life is more complicated than ever. His abilities to see the souls of objects and restore them to their original state has led him down a more lucrative and stable path. But the ancient Korean emperor and his vassals who are now occupying Sungwoo's home have started to regain their power, bringing more work Sungwoo's way but also constantly distracting him.

His understanding of his powers continues to grow, as well, thanks to some people from his father's past who have come into his life. And while the scope of his restoration powers expands, it also brings him in contact with a fellow restorer who doesn't understand the nature of Sungwoo's abilities, putting them at odds and calling into question his legitimacy.

FIGHT CLASS 3 OMNIBUS VOL 2

WRITER/ARTIST: LEE HAK

SOFTCOVER | 400 PAGES | BLACK AND WHITE

AGES 13 AND UP | MANHWA, ACTION/ADVENTURE | \$19.99

For fans of *The Breaker*! If you love martial arts fighting and school life drama this is the series for you...

In an imaginary world where Korea is one of the world's leading nations in martial arts, its government encourages high schools to set up martial art classes to develop talented martial artists. As the government provides numerous benefits to the students of these classes, almost all teenagers dream of being selected for the special classes. Among the martial arts classes all over the country, Namil High School's Martial Arts Class 3 is the most famous.

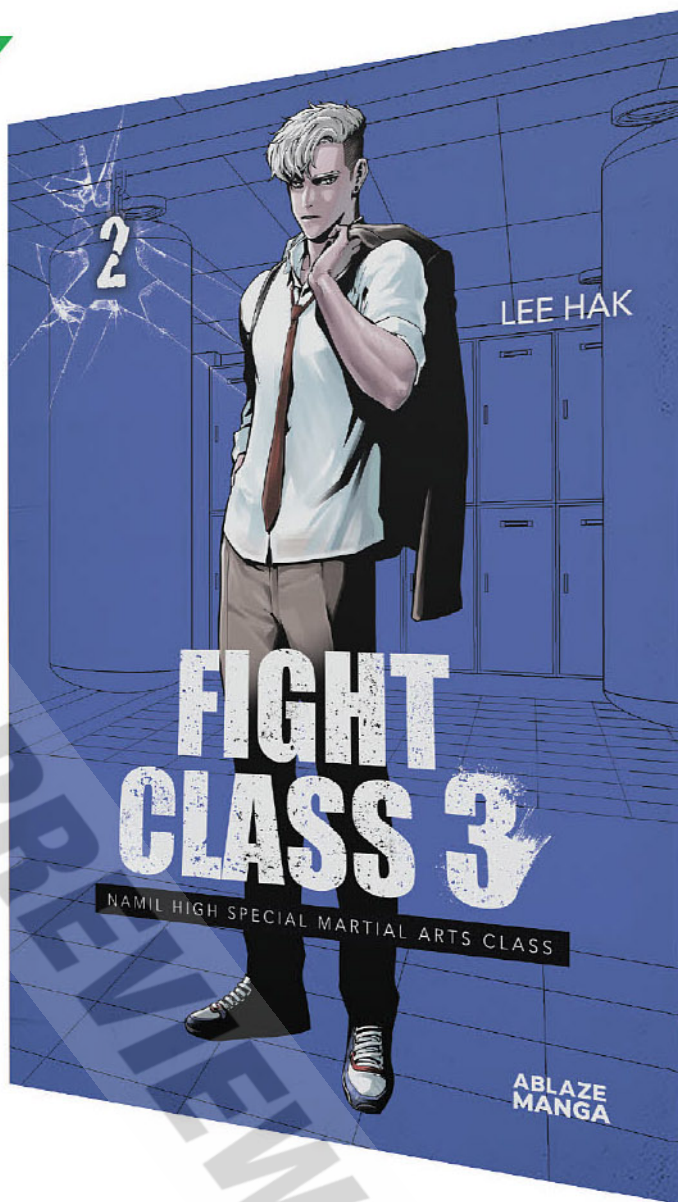

Jitae's training doesn't appear to be as fruitful as his teammates and coaches would like, but once he gets in the ring, it is clear to other fighters that there is something special about him. His struggles don't end there, as he becomes more intimidated by his new classmates, who all seem bigger, stronger, and more together than himself. But that may not actually be the case, which Jitae learns as part of Maria's past becomes more clear.

A bit of jealousy from another student about Jitae and Maria's relationship puts the young man in danger...but he's not the only one. Jitae's friends and former classmates, Ok-Dong and Jieun, find themselves in a bit of trouble with the school bullies that continues to escalate, no matter how hard they try to fix it. Will this put Jitae and the bullies on a collision course that will make the new fighter finally have to learn how to use his abilities?

FRANK MILLER'S PANDORA

VOL.1

THE awakening

Created by: Frank Miller | Art by: Emma Kubert

Written by: Frank Miller, Anthony Maranville, Chris Silvestri

What if you could have everything you ever desired? Would you still want it if it meant that no one else could ever have what they wanted? Drawn to a forbidden relic by mysterious forces, Annabeth Dean unleashes an explosive power that makes her wildest dreams come true while uncovering a link to another realm where an ancient war, mystic creatures, family secrets, and quite possibly the end of the world lurk.

Fabulous first volume of the critically acclaimed fantasy series.

Collecting issues 1-6

ANCIENT ENEMIES FIRST RESPONDER

Emerson “Sonny” Palmer always wanted to be a fireman. While growing up, Sonny’s family, The Palmers, were the only black family in a mostly Irish neighborhood. There were problems and fights, but most were smoothed over by the fact his father worked out of the same firehouse as some of his neighbors. Sonny never knew of the hardships or hazing his father endured to be accepted by his unit, all he saw was his father’s love of the job.

So when his father died in a fire, ten year old Sonny knew he would ultimately follow in his father's footsteps. He dedicated himself, graduating at the top of his class, and ultimately becoming the youngest firefighter to make captain.

Sonny was on call on the night of “The Crash” and his unit was the first to enter the scene. He knew a fate similar to his father’s might be awaiting him, but he never faltered in his responsibility. Searching for survivors, Sonny rushed directly into the fire and alien ship itself. His crew watched as he disappeared into smoke and flame. He was counted amongst the dead and missing. But “Sonny” didn’t die that day.

The alien ship's "System" found a way to save Sonny, and absorbed him into its matrix. With the inhabitant of the ship dead, The System needed a new champion to complete its mission. It chose Sonny to represent Zaiys in its battle against the Zolan Conscious. To keep Sonny alive, The System transformed his body into Zaiyan. During the process, Sonny learned everything about the Zaiyan race and its millennial old war with the Zolans.

Following "The Crash", The Greater Good was assigned the responsibility of harvesting the alien technology. Inside the shattered belly of the spacecraft, they discovered Sonny's body wrapped in a metal cocoon, and in unconscious state, and for the next twenty years he was kept in stasis and studied, unable to disconnect him from the ship itself without killing him. He stayed that way for twenty years, until suddenly, the System snapped to life, awakening Sonny to complete the Zaiyan Mission

Programmed to be a killing machine, and controlled by The System, it's unclear how much of Sonny still exists. For his survival, whatever spark of who he was must reassert itself or the person that Sonny Palmer was will be lost forever.

EMERSON "SONNY" PALMER / THE FIRST RESPONDER

ABILITIES: Armed with all the knowledge of the Zaiyan race, he is the perfect killing machine. Infused with the Zaiyan ship's energies, he has the powers of a small sun with the ability to create defensive power shields. The energy also gives him the power of flight and near invulnerability.

ANCIENT ENEMIES FIRST RESPONDER

Trapped inside the shattered hull of an alien spacecraft and imprisoned for over twenty years, firefighter Sonny Palmer is transformed into something greater than and less than human. He is **THE FIRST RESPONDER** and dedicated his life to saving others while unable to save himself. In this one shot, we learn his origin and set up the world-shattering climax to the **ANCIENT ENEMIES** series.

Build Something

MASSIVE

We are proud to be the newest addition to Diamond's **Deluxe Publisher** tier starting with this June 2023 catalog. When we launched last year with our first imprint, Whatnot Publishing, we set our expectations and standards high for what it would look like to introduce a new comic brand into the market. We debuted with titles such as *Alpha Betas*, *Ninja Funk*, Wesley Snipes' *The Exiled*, *Quested* and *Liquid Kill* to an incredibly warm reception from the community. These titles wouldn't have been possible without our creators, readers, Diamond and of course the comic shop owners who have been great partners since day one.

The core principle of our publishing house is to be a great partner to fan-favorite brands/creators while getting their beautiful books to shops in the best way possible. Whatnot Publishing was an important inaugural partnership that established our reputation as a trusted ally who puts quality above all. Whatnot, a company with a valuation of over 4 billion dollars, was already on the rise amongst collectors in numerous shopping categories, but by launching our partnership publishing line we brought the Whatnot brand to thousands of comic book retailers and hundreds of thousands of comic readers almost overnight. In a relatively short time we have seen the pipeline from Retailers ordering books at the distributor level to selling their products on Whatnot's app exponentially

grow month after month, enabling brick and mortar stores to reach fans all over the world who might never have purchased books from those retailers otherwise. We've seen shop owners and new retailers' lives change in ways we couldn't imagine. We couldn't have asked for a more exciting start to our story as a publisher.

But wait, What is MASSIVE?

After distributing over 800,000 units to shops all around the world through our Whatnot Publishing brand, we are excited to expand our publishing line. As we enter into this new Deluxe Publisher tier we look forward to introducing more shops to our overall company brand, MASSIVE, as it becomes the central hub for our expansion of new imprints and partnerships. Similar to the founding of Image Comics in the 90s and the creator-owned imprint model they established in its original formation, we have sought out some of the most unique voices in comics and media to begin growing the Massive Publishing group. We are excited to empower these creators to help expand our reach in the comic and graphic novel market in a way that's healthy for the industry and grows comic readership in an exciting way. Each brand will have its own unique flavor and creative direction spearheaded by a mix of established trailblazers in the industry and up-and-coming voices.

MASSIVE

In similar fashion to the MCU, it is time for our phase two!

We are excited to be launching the MASSIVE Publishing Group with imprints such as **Overlook**, a horror-centric line run by prolific writer **Cullen Bunn** (Venomverse, Deadpool Kills the Marvel Universe, The Sixth Gun and over 500 writing credits at top Publishers) and **Heath Amodio** (Aftershock, Oni Press). We also plan to expand on the diverse range of talent we've assembled since launching by partnering with creators who embody different cultures and walks of life.

Kingwood Comics, an imprint focused on Black characters and stories will join Massive Publishing this fall, helmed by **David Crownson**, the creator of *Harriett Tubman Demon Slayer* (soon to be a Disney+ show). Both imprints will launch this fall with some incredible imprints set to follow soon after. So stay tuned for more.

But we are more than a place for rad imprints to express their voices, Massive has its own identity as a publisher...

Being a company founded by creators, we want to bring some of the most exciting and original titles to the MASSIVE line of books. Making it the premier place for original stories and genre-pushing creators. We couldn't have asked for a better example of that vision than our first MASSIVE series, *The Plot Holes* by fan-favorite writer/illus-

trator, **Sean Gordon Murphy** (Batman: White Knight, Tokyo Ghost, Punk Rock Jesus). With the release of the mini-series *The Plot Holes*, Murphy returns to his creator-owned roots for the first time since he started building his own groundbreaking *Batman* universe at DC Comics in 2017.

"I'm thrilled to bring my series to Massive. I love how their innovative publishing model utilizes new technology while also embracing the traditional model that stores can count on." —Sean Murphy

Murphy, who won an *American Library Association* award with his first ever creator-owned book "Off Road" (released by Oni in 2005) will kick-off the MASSIVE line this August, with cover variants by legendary artist such as Walt Simonson, Dan Panosian, Matteo Scalera, and more.

Thank you for your support since day one. We hope to bring MASSIVE stories to the shelves every month for years to come. Welcome to Phase two!

—Massive Publishing Team

THE PLOT HOLES #1 (of 5)

Writer/Artist: SEAN GORDON MURPHY

Price: \$3.99

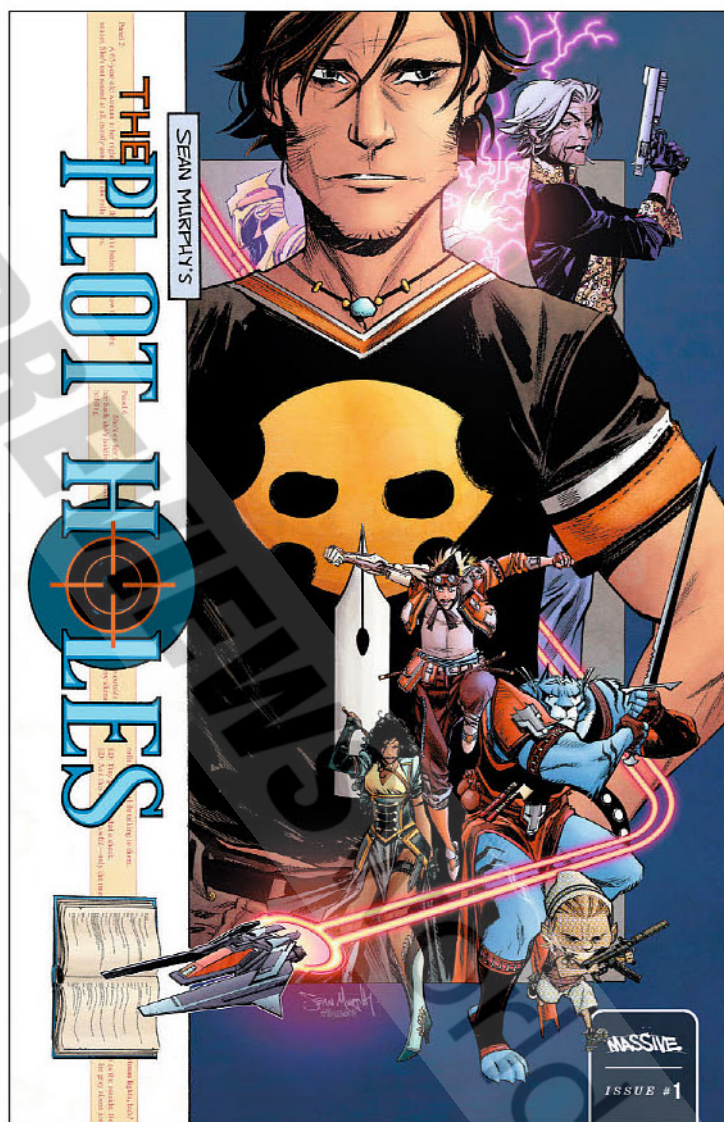

RELEASE DATE: AUG. 30th

NEW SERIES

Superstar artist Sean Gordon Murphy, known for his groundbreaking series *Batman: White Knight*, delivers an all-new tale of world-hopping adventure.

THE PLOT HOLES are a squad of fictional warriors who transport themselves into the pages of other books, using their unique skills to save the plots in order to stop them from being destroyed. And Cliff is their newest recruit, a comic creator who's just realized his world isn't real—in fact, it's a complete fiction that literally exists inside a novel. The other members are misfits like him, pulled from unpublished books that couldn't be saved: a manga samurai, a barbarian tiger, a kid from a comic strip, and a vampire assassin. Outclassed by the other members, Cliff sets out to prove his worth to The Plot Holes as they fight to save as many books as possible.

(CA) Jack Davis

The EC line of comics shook up the 1950s, and the shocking audacity of their stories drew the scrutiny of Congress and the eventual creation of the Comics Code, effectively killing EC. But the stories live on, and EC Archives: *Tales from the Crypt* Volume 4 offers more infamous tales of fear, bloodshed, and the paranormal written by Al Feldstein and William Gaines and illustrated by Jack Davis, Graham Ingels, Jack Kamen, George Evans, Joe Orlando, and Marie Severin. This value-priced softcover collects *Tales from the Crypt* issues #35-40, including the original stories, ads, text pieces, and letters. Foreword by eminent EC historian and publisher Russ Cochran. GRENDL: DEVIL BY THE DEED MASTER'S EDITION HC

(W) Matt Wagner

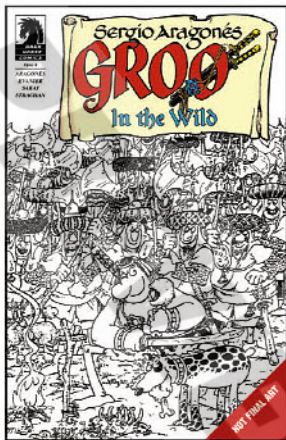

(A) Brennan Wagner, Matt Wagner

Matt Wagner returns to the seminal "Devil by the Deed" Hunter Rose story that started the epic, centuries-spanning *Grendel* saga. In this all-new reimagining of "Devil by the Deed," Wagner brings his decades of experience and artistry back to the famous narrative that first began his lengthy and illustrious career as a comic-book author. The original tale of the dashing and diabolical Hunter Rose was deceptively brief, considering its cultural impact. Over the years, Wagner has expanded on the story of Hunter Rose and now he weaves the most dramatic of those elements into a brand-new graphic novel. *Grendel: Devil by the Deed—Master's Edition* is Matt Wagner at the height of his artistic and story-telling prowess, featuring 120 all-new story pages that will dazzle first-time and longtime readers alike. THE HORROR HC

(W) Lars Jacobson

(A/CA) Eduardo Francisco

Travel with Kurtz and his family as they enter the "heart of darkness" on a humanitarian mission for Belgian King Leopold's Congo Free State, opening a trading post in the uncharted interior of the Congo jungle to promote free markets and end slavery. With the help of a local tribe, they establish the post, but to survive in this lawless jungle, they must contend with murderous slave traders from Zanzibar, corrupt Belgian officials, evil imperialists, psychotic explorers, and cannibalistic tribes. Along the way, however, they encounter a primordial evil whose origins and mythology date back to the womb of civilization, perverting minds and corrupting souls while preying on the worst instincts of mankind. The locals speak of this insidious evil in fearful whispers, calling it, "The Horror." *The Horror* provides a prequel to Joseph Conrad's "Heart of Darkness," exploring the origins of one of the most enigmatic characters in storytelling while examining one of the worst atrocities and humanitarian disasters ever recorded. FUNNY THINGS: A COMIC STRIP BIOGRAPHY OF CHARLES M. SCHULZ

(W) Luca Debus
(A) Francesco Matteuzzi
Charles M. Schulz was arguably the most influential and popular cartoonist of the 20th century, and he poured many of his own emotions and experiences into the world of *Peanuts* over its iconic 50-year run. Now, Luca Debus and Francesco Matteuzzi pay tribute to the master by telling the story of Schulz's life in the medium that made him immortal: the comic strip. Every strip provides a laugh as well as a piece of insight into his remarkable life story. Starting with the last days of his monumental career, *Funny Things* jumps back and forth in time to narrate both Schulz's artistic achievements and the personal episodes that formed him as an author and human being, ultimately shaping him into the most beloved cartoonist on the planet. Filled with affection, charm, and poignant insight, *Funny Things* imagines Schulz through the lens of the very world he created, inviting us all to meet the man behind the blanket. (STL278018)

GODZILLA: HERE THERE BE DRAGONS #3

(W) Frank Tieri (A/CA) Inaki Miranda
Back in the pirate days, the scoundrels and villains that sailed the seas learned of dangers and rewards through shared knowledge, but few dared speak of the existence of a mysterious island full of monsters and hidden treasure. And the sailors under Sir Francis Drake and the British Navy are starting to wonder why. Have Drake and the Queen been conspiring to keep the treasure for themselves the whole time? Or is the "dragon" just too frightful to dare make a go for it? Learn more about how Captain Cortez Blanco initially ended up sailing far beyond the boundaries of the known world, starting off this whole race toward glory in the first place, and what perils lie between civilization and the home of the one and only Godzilla! (W) Erik Burnham (A) Dan Schoening
Godzilla's been missing for a year, and teen vlogger Cedric desperately wants new content, but alien invaders and enemy kaiju may change his mind! Don't get us wrong, no Godzilla sightings means no destruction, and that's no bad thing. But Cedric's vlog views are dropping, and he's facing competition and trolling in the form of Karen Higa and cyber-bully Dragon. But nothing brings rivals together like a common enemy. When the otherworldly Xiliens begin using psychic technology to probe every mind on Earth for knowledge of Godzilla, they awaken the three-headed dragon King Ghidorah instead! Our kaiju-connected heroes, Cedric, Emily, and Anderson, will need all the help they can get to summon Godzilla and face the new threats!

Is there any way Godzilla can defeat the golden gargantuan? (STL278027)

WASHINGTON'S GAY GENERAL HC

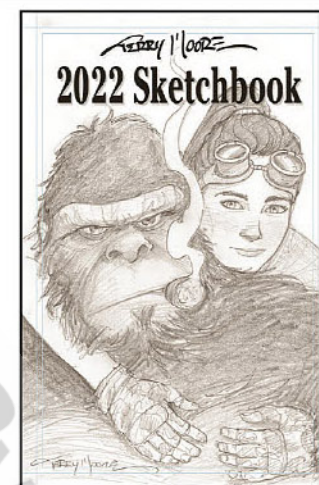

(W) Josh Trujillo (A) Levi Hastings This graphic novel biography tells the true story of one of the most important, but largely forgotten, military leaders of the American Revolution, Baron Wilhelm Von Steuben, who brought much-needed knowledge to the inexperienced and ill-prepared Continental Army. As its first Inspector General, Von Steuben created an organizational framework for the US military, which included writing the Blue Book guide that became the standard for training American soldiers for more than a century. Beginning with Von Steuben's career in the Prussian Army, Trujillo explores his recruitment by Benjamin Franklin, his work alongside General George Washington at the Battle of Valley Forge, and his eventual decline into obscurity. In *Washington's Gay General*, Trujillo and Hastings impart both the intricacies of queer history and the importance of telling stories that highlight queer experiences. ADVENTUREGAME COMICS VOLUME 2: THE BEYOND GN

(W/A/CA) Jason Shiga

Adventuregame Comics is a new series of interactive graphic novels in the vein of Jason Shiga's hit graphic novel *Meanwhile*. Readers follow the story from panel to panel, using tubes that connect them, and sometimes the path will split, giving readers the chance to choose how the story unfolds. *The Beyond* takes place in some sort of afterlife. You don't know much when you begin, save that you're dead and that you've ended up in a room that includes a door, a window, and a table with some books. You need to get out, so you try the door. And then the window. And then you finally turn to the books—and when you open them, you're pulled into the worlds of those pages. Could these fictional worlds hold the key to your escape? Or is there more to this room than first meets the eye? (STL274951) (C: 0-1-1)

CALVIN AND HOBBS PORTABLE COMPENDIUM BOX SET

(W/A/CA) Bill Watterson

Calvin and Hobbes is unquestionably one of the most popular comic strips of all time. The imaginative world of a boy and his real-only-to-him tiger first appeared in 1985 and could be read in more than 2,400 newspapers when Bill Watterson retired on January 1, 1996. This compact, portable new format is designed to introduce the timeless adventures of *Calvin and Hobbes* to a new generation of readers, and will fit easily into backpacks as well as on the collector's shelf. Featuring archival slipcase and cover art selected by the author, *The Calvin and Hobbes Portable Compendium* pays tribute to the strip's origin in newspapers while appealing to both new and existing fans. This set is composed of two 144-page paperback books, including over 500 comics from the strip's debut in Nov. 1985 through March 1987. It is the first of seven sets total to be released between 2023 and 2026. (STL274952) (C: 1-1-0) **NOTE:** Not available in UK. (May purchase from UK vendor.)

THE AMERICAN THEATRE AS SEEN BY HIRSCHFELD 1928-1961 HC

(A) Al Hirschfeld
Al Hirschfeld has been synonymous with Broadway since his first theatre drawing appeared in 1926. For seventy-six years, his theatre work was as much a part of a Broadway show as its opening night. His drawings, seen most famously in the *New York Times*, where his drawings appeared on average every other week for seventy-five years. His art also appeared on posters, programs, books, and album covers. For many, Hirschfeld was Broadway. The two volumes of *The American Theatre as seen by Hirschfeld* showcases Hirschfeld's greatest theater art from nine decades covering Show Boat to Hairspray. When the first volume of *The American Theatre* was published in 1961, Hirschfeld designed and curated the book, featuring 250 works from the first four decades of his career. This new edition revises and updates the book with a stunning color section. The second volume covers the other forty years of Hirschfeld's career with nearly 300 drawings. Both books show and tell the story of nearly a century of the American Theatre, with a majority of the art not in any other book collection. ART OF CLASSIC SCI-FI MOVIES: AN ILLUSTRATED HISTORY HC

(A) Various
From the dawn of silent cinema to today, sci-fi movies have been a constant presence in pop culture, with mad scientists, terrifying monsters (giant and otherwise), UFOs, and invading aliens all bursting out from some of the most brilliantly designed posters ever printed, featuring art that was sometimes lurid, always eye-catching, and often simply beautiful. Acknowledging the iconic, but with plenty of room for the rare and unfamiliar, *The Art of Classic Sci-Fi Movies* presents a

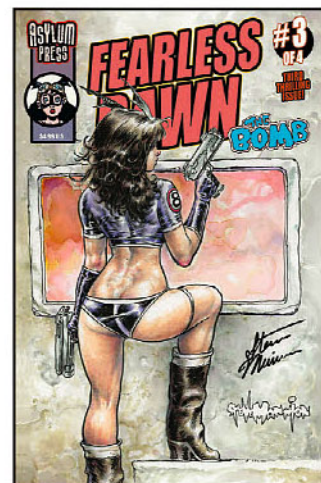

stellar selection of imagery, charting the story of the genre from its origins in foundational works through Cold War classics and on to visionary films such as *2001* and *Solaris*—as well as less celebrated but nonetheless infamous cultural artifacts and genuine oddities. STUNTBOY, IN-BETWEEN TIME HC

(W) Jason Reynolds
(A) Raul The Third

Portico Reeves is the greatest superhero a lot of people have never heard of. He likes it that way—then no one can get in the way of him from keeping other other people safe. Super safe. He's Stuntboy. He's got the moves. And the saves. Except. There's been one major fail. He couldn't save his parents from becoming Xs. Which is a word that sounds like coughing up a hairball. But don't talk to him about the divorce, because of the hairball thing, and also, it gives Portico the frets. What's also giving him frets is his parents living on two separate floors in their apartment building. He's never fully with one parent or the other. He's in-between, all the time. The in-between time. And the elevator is busted, so to get between floors means getting past the bullies who hang in the stairwells. So when Portico and new friend, Herbert, and best best friend, Zola, discover an empty apartment, unlocked, they are psyched. It's a perfect hideout, and hangout, and it's not half anyone's... it's all theirs. So they decide to make it their own...let's say with stunts of the drawing kind. Problem is, that gives some Grown Up People the frets, which leads to double frets for Portico. And he's not sure his arsenal of stunts can combat that. (STL277053) (C: 0-1-0)

HOW TO DRAW COMICS THE MARVEL WAY SC

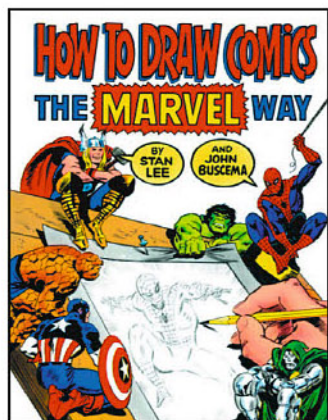

(W) Stan Lee (A/CA) John Buscema

DIY One of the first and still one of the best, Stan Lee's *How to Draw Comics the Marvel Way* has been the primary resource for any and all who want to master the art of illustrating comic books and graphic novels. Using artwork from Marvel comics as primary examples, John Buscema graphically illustrates the hitherto mysterious methods of comic art. Stan Lee's

pitthy prose gives able assistance and advice to the apprentice artist. Bursting with Buscema's magnificent illustrations and Lee's laudable word-magic, *How to Draw Comics the Marvel Way* belongs in the library of everyone who has ever wanted to illustrate his or her own comic strip. (STK675345)

Prince Kaidan, born to inherit the throne, is set to complete his secret training with his aunt, the magical Lady Taleissa when tragedy strikes. He returns home to find his parents missing and his kingdom destroyed, along with everything he'd ever hoped and dreamed. A new path is set: find whatever pieces of his old life he can and use them to build something new — if he can live that long! A fresh retelling of the King Arthur story, *The Orphan King* upends the concept of birthright in a magical coming-of-age adventure for the ages. (STL182051)

Legendary writer J. Michael Straczynski teams with superstar artist ACO for a tale of bloody revenge. Sarah Ross' godlike powers made her the perfect candidate for the world's toughest network jobs...until her government employer decided she wasn't needed anymore. To close the books on Sarah, her handlers decide the smart move is to assassinate her—along with anyone who happens to be nearby. Now, stark-raving mad and laser-focused on revenge for the murder of her family, Sarah faces an army of superpowered operatives determined to stop her.

Detective Amy Sun watched the prime suspect in her case literally unravel before her eyes, leaving no doubt that some supernatural force was at work—and that work is grisly in the extreme! Now it's up to her to piece together a case involving murder and police corruption before more people die. But when members of the corrupt cabal within the department corner Detective Sun, they too start to unravel. It's the second chapter of the dark, bloody tale by modern masters of horror Garth Ennis and Jacen Burrows!

THE COMPLETE THE COMET JET-ACE LOGAN STORIES HC

In the 1950s and 1960s SF comic strips were hugely popular in British weekly comics. The most popular being *Dan Dare* in the Eagle, *Captain Condor* in *The Lion* and *Jet-Ace Logan* in *The Comet*. *Jet-Ace Logan* first appeared in *The Comet* #426 (September 1956) with art by Geoff Campion who drew the first 3 stories. John Gillatt took over the art from issue 474 and continued honing his brilliant pen and ink artwork until the last issue of *Comet* in October 1959 by which time his artwork had become some of the finest and exciting comic strip art in British comics. This limited edition, with over 360 pages of exciting SF artwork, is a must for all comic strip and SF art fans. (STL277833) (C: 0-0-2)

THE COMPLETE DON LAWRENCE BILLY THE KID HC

Western TV shows, films and comic strips were hugely popular in the UK in the 1950s and 1960s and the two most popular British weekly comic strips were *Buffalo Bill* in *The Comet* and *Billy the Kid* in *The Sun*. Don Lawrence drew these action-packed stories full of brilliant Western art before he went on to draw *Olac the Gladiator*, *Karl the Viking*, *The Trigan Empire*, and *Storm* to international acclaim. Collected in book form for the first time ever, Book Palace Books is proud to present all 17 *Billy the Kid* stories from *The Sun* comic, four tales from *The Lion* and one adventure from *Thriller Picture Library*, all drawn in the late 1950s by the world-renowned Lawrence. HIGHLANDS
VOLUME 1 GN

(W/A) Philippe Aymond
In a Scotland wracked by the last throes of the Jacobite rebellion, a tragic tale of ambition, politics, betrayals and love unfolds. Scotland, 1743. In Blackwater Castle, in the Highlands, the Duke of Plaxton is looking for a new portrait painter. A member of Clan Grant, supporters of the Act of Union with England, the duke has a son, William, whose heart leans towards the Jacobite cause, and a daughter, Amelia, betrothed to an English lord she has never met. It's there, in this crucible of rebellion and ambitions, that arrives Joseph Callander, local boy back from years spent in Italy, and a talented painter. (STL277837) (C: 0-1-1)

The graphic novel adaptation of one of master horror storyteller Mary Downing Hahn's spookiest and most popular tales! Travis and his sister, Corey, can't resist a good trick. When they learn that their grandmother's quiet Vermont inn, where they're spending the summer, has a history of ghost sightings, they decide to do a little "haunting" of their own. Before long, their supernatural pranks have tourists flocking to the inn, and business booms. But Travis and Corey soon find out that theirs aren't the only ghosts at Fox Hill Inn. Their thoughtless games have awakened something dangerous, something that should have stayed asleep. Can these siblings lay to rest the restless spirits they've disturbed? (STL277083) (C: 0-1-0)

THE HILLS OF
ESTRELLA ROJA GN

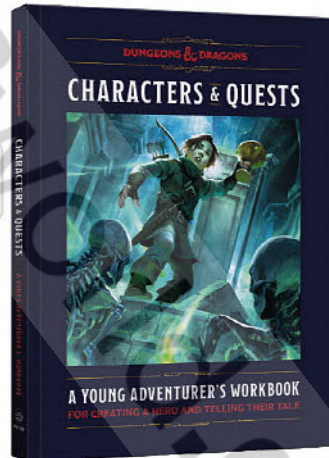

(W/A/CA) Ashley Robin Franklin
When college freshman Kat Fields receives a mysterious email urging her to visit an isolated, relatively unknown Texas town with a history of witchcraft, strange sightings, and "devil lights"—glowing red stars that appear above the town's hills every night—she ditches her plans for spring break and takes a solo road trip to Estrella Roja to investigate the lights for her podcast, Paranormal Texas, catchphrase: "Y'all stay spooky!" Meanwhile, Marisol "Mari" Castillo, is also headed for Estrella Roja to attend the funeral for her abuela whom she hasn't seen since childhood, when her mother cut ties with the family and left town. Feeling lost and maybe a little bored, she decides to help Kat investigate after a chance meeting at the local diner—and, okay, it doesn't hurt that Kat is super cute. As the two girls grow closer not only to each other, but to uncovering a dark legacy that the town was built on, they accidentally unleash an ancient danger that could threaten everything they love and have come to love about each other. Delightfully creepy and unapologetically queer, in this horror romp of a graphic novel sometimes dreams do come true. (STL277085)

TERRY & THE PIRATES: THE MASTER COLLECTION 1940 THE TIME OF CHOLERA

Writer/Artist: **Milton Caniff**

Invader soldiers scatter the occupants of Singh-Singh's outpost, forcing Pat, Blaze, and April to flee. They take refuge at Raven Sherman's orphanage just in time for an outbreak of cholera (this is refuge?). Returning to the city, Raven meets the mysterious Hu Shee, while Pat is reunited with Terry, Big Stoop, and Connie and crosses paths with old friend Dude Hennick. All the newcomers to the cast—together with the Dragon Lady, no less!—fall prey to the schemes of Chopstick Joe. A strike by invader forces separate Terry and Hu Shee from the others, setting up an encounter with the elusive Chinese guerrilla leader known only as the Blue Tiger!

This tabloid-sized Volume 6 containing the 1940 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up.

THE MAN WHO LAUGHS: EXPLORING THE CLOWN PRINCE OF CRIME SC

(W) Various
 The Joker has been a goofy trickster, a giggling lunatic, a psychopathic killer, a methodical mastermind, a failed comedian, and an unstoppable force. It all depends on the writer and artist telling the story. He's the Clown Prince of Crime, the Man Who Laughs, an agent of chaos. He has no special abilities or superpowers, but also no moral code or grip on reality. The Joker is charismatic, terrifying, unpredictable, and downright hilarious. The only method to this criminal's madness is that there is no method. This anthology offers more than twenty perspectives on the yin to Batman's yang, written by respected comic creators, historians, and industry insiders. So step right into the mouth of madness. The joke's on us, and we'd like to let you in on it. (STL277653)

**DELACORTE PRESS****ALCHEMYST: THE SECRETS OF THE IMMORTAL NICHOLAS FLAMEL GN**

(W) Michael Scott

(A/CA) Chris Chalik

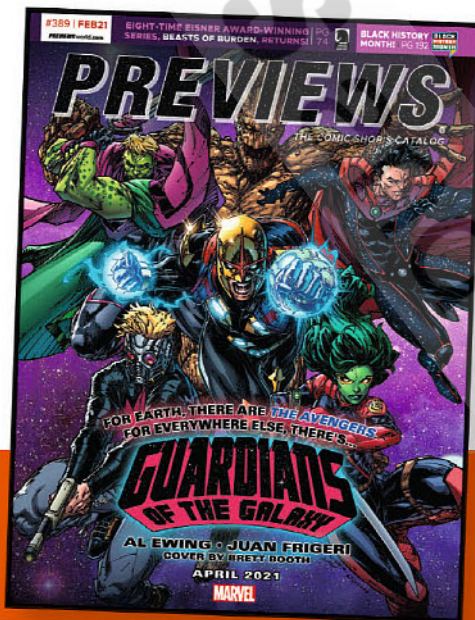

Discover the magical world of the bestselling series *The Secrets of the Immortal Nicholas Flamel* as a graphic novel! The truth: Nicholas Flamel's tomb is empty. The legend: Nicholas Flamel lives. Nicholas Flamel is the greatest Alchemist to ever live. The records show that he died in 1418, but what if he's actually been making the elixir of life for centuries? The secrets to eternal life are hidden within the book he protects—the *Book of Abraham the Mage*. It's the most powerful book that has ever

MEXIKID GN

(W/A/CA) Pedro Martin

A poignant, hilarious, and unforgettable graphic memoir about a Mexican-American boy's family and their adventure-filled road trip to bring their abuelito back from Mexico to live with them. Pedro Martin has grown up hearing stories about his abuelito—his legendary crime-fighting, grandfather who was once a part of the Mexican Revolution! But that doesn't mean Pedro is excited at the news that Abuelito is coming to live with their family. After all, Pedro has 8 brothers and sisters and the house is crowded enough! Still, Pedro piles into the Winnebago with his family for a road trip to Mexico to bring Abuelito home, and what follows is the trip of a lifetime, one filled with laughs and heartache. Along the way, Pedro finally connects with his abuelito and learns what it means to grow up and find his grito. (STL277846) (C: 0-1-0) SC, 8x8, 256pgs, FC\$14.99

THE AVENGERS ASSEMBLED HC

(W) David Betancourt

Take a deep dive into the fascinating history of Earth's Mightiest Heroes. From their earth-shattering formation and cataclysmic lineup changes to the introduction of fan-favorite characters like the Vision and Black Widow, this unique volume provides a comprehensive look at the origin and evolution of Marvel's premiere super-hero team. This meticulously researched biography reveals unparalleled insights into the characters, backstories and motivations of Iron Man, Captain America, Ant-Man, Wasp, Thor, Hulk, Scarlet Witch, Black Widow, Black Panther, and more. The Avengers' story has been told many times—but never like this! (STL277847) (C: 0-1-2)

DC FIRST WORDS FOR SUPER HEROES BOARD BOOK

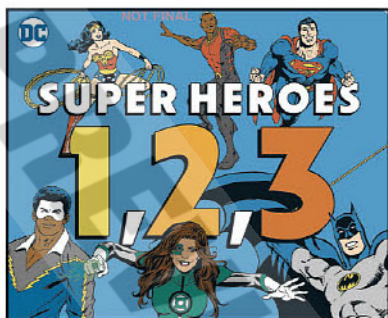

(W) Morris Katz

Introduce babies and toddlers to important first words—and a beginner's super hero vocabulary at the same time—with a little help from Superman, Batman, Wonder Woman and other fan favorite DC characters. Fully illustrated with DC classic comic book art, the book will feature basic early vocabulary—everyday nouns such as dog, sky, and baby. In addition, the book explores common super hero terms such as cape, fly, and muscles. It's the perfect concept board book for the littlest super-hero fans! (STL275582) (C: 0-1-0)

BLACKWARD GN

(W/A/CA) Lawrence Lindell You'd think a spot to chill, chat, and find community would be much easier to come by for nerdy, queer punks. But when four longtime, bookish BFFs—Lika, Amor, Lala, and Tony—can't find what they need, they take matters into their own hands and create a space where they can be a hundred percent who they are: Black, queer, and weird. O/A FIELDER #1

(W/A/CA) Kevin Huizenga Fielder is the new series by Kevin Huizenga, author of the classic Ganges series of over-sized comics, featuring four new stories by the multi-Ignatz winning, Eisner, and Harvey nominated cartoonist. Reminiscent of current one-man anthologies like Sammy Markham's Crickets and Adrian Tomine's Optic Nerve, this new "comics magazine" will center on Huizenga's character, Glenn Ganges, in different genre-bending roles. This issue will feature the first chapter of the new graphic novel, "Fielder, Michiana," as well as a continuation of Huizenga's dinosaur adventure comic, "Bona," and some of his short "Viral Webcomics" series. MY PICTURE DIARY HC

(W/A) Fujiwara Maki

In 1981, Fujiwara Maki began a picture diary about daily life with her son and husband, the legendary manga author Tsuge Yoshiharu. Publishing was not her original intention. Drawn in a simple, personable style, and covering the same years fictionalized in Tsuge's final masterpiece *The Man Without Talent*, Fujiwara's journal focuses on the joys of daily life amidst the stresses of childrearing, housekeeping, and managing a depressed husband. SPOTLIGHT ON

NEJISHIKI HC

(W/A) Yoshiharu Tsuge

Nejishiki unveils the most iconic scenes from Yoshiharu Tsuge's highly respected body of work alongside his most beloved stories. Tsuge's stories abruptly cross the threshold of conventional storytelling. Unassuming protagonists venture further into eerie symbolism against a shadowy, perceptibly dreamlike landscape easily mistaken for the real world. The angst that pervades postwar Japanese society threatens to devour his characters and their pastoral sensibilities as each protagonist's wanderlust turns surreal. ROAMING GN

(W) Jillian Tamaki, Mariko Tamaki (A/CA) Jillian Tamaki

Over the course of a much-anticipated trip to New York, an unexpected fling blossoms between casual acquaintances and throws a long-term friendship off-balance. Slick attention to the details of a bustling, intimidating metropolis are softened with a palette of muted pastels, as though seen through the eyes of first-time travelers. The awe, wonder, and occasional stumble along the way come to life with stunning accuracy. (STL277792) (C: 0-0-1)

365 DAYS: A DIARY BY JULIE DOUCET HC

(W/A/CA) Julie Doucet

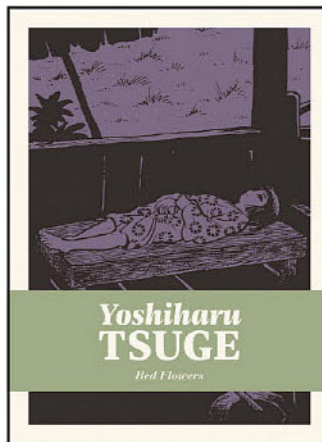

Five years ago Julie Doucet renounced her comics-centric lifestyle. But Doucet could not turn her back on art, and this visual journal is an idiosyncratic collision of her various creative interests, wherein personal narrative, collage and drawing tell the story of her pursuits into printmaking and beyond. The surreal neurosis of her comics has subsided to reveal a more relaxed creativity that is unrestricted by form or definition and is as engaging as ever. (STK349231) HC, 5x7, 360pgs, PC \$29.95

BECOMING HORSES GN

(W/A/CA) Disa Wallander

DIY *Becoming Horses* is a book about squinting hard and looking from the right angle to find that everything around you sparkles — just a little — and the shapes of things are not firm but fuzzy. A mix of delicate cartooning and brash collage, both watercolor and photography, Disa Wallander's flowing drawings are experimental yet accessible, as her characters mull big questions about life and art, philosophizing in a thoroughly modern voice. (STL141913) SC, 7x9, 160pgs, FC \$22.95

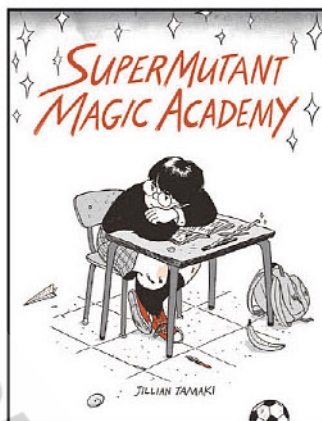

O/A RED FLOWERS HC

(W/A/CA) Yoshiharu Tsuge

Yoshiharu Tsuge leaves early genre trappings behind, taking a light, humorous approach in these stories based on his own travels. *Red Flowers* ranges from deep character studies to personal reflections to ensemble comedies set in the hotels and bathhouses of rural Japan. These vital comics inspired a wealth of fictionalized memoir from Tsuge's peers and a desire within the post-war generation to document and understand the diversity of Japan's cultures. SUPERMUTANT MAGIC ACADEMY GN

(W/A/CA) Jillian Tamaki

Jillian Tamaki is best known for co-creating the award-winning young adult graphic novels *Skim* and *This One Summer*, moody and atmospheric bestsellers. *SuperMutant Magic Academy*, which Jillian has been serializing online for the past four years, deftly plays superhero and high school Hollywood tropes against what adolescence is really like: the SuperMutant Magic Academy is a prep-school for mutants and witches but their paranormal abilities take a back seat to everyday teen concerns. THE SWAMP HC

(W/A/CA) Yoshiharu Tsuge

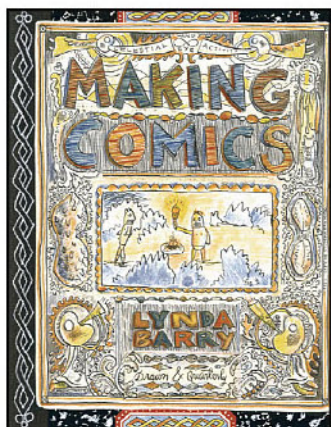

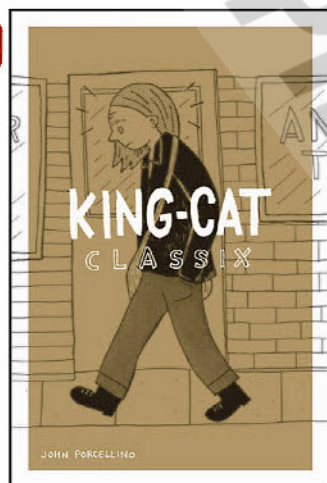

The Swamp is the first in a series of books by Yoshiharu Tsuge, one of the most influential and acclaimed practitioners of literary comics in Japan. Bucking the tradition of mystery and adventure stories, Tsuge's fiction focused on the lives of the citizens of Japan. These mesmerizing comics, like those of his contemporary Yoshihiro Tatsumi, reveal a gritty, at times desperate post-war Japan, while displaying Tsuge's unique sense of humor and point of view. DIY *King-Cat Classix* collects material from the first fifty issues of John Porcellino's *King-Cat Comics* as they appeared in self-published, hand-made zines throughout the 1990s, now in paperback. These strips span Porcellino's dynamic evolution from saturated, punk drawings to his characteristic refined minimalism, revealing his work as nothing short of a catalyst that has inspired artists like Chris Ware in the emerging literary comics scene. In the inky drawings featuring beloved pets, awkward teenage one-night-stands, and everyday blunders, we see a nascent style steeped in truth and transparency—one that continues to ring true today. THE NIGHTMARE BEFORE CHRISTMAS:
BEYOND HALLOWEEN TOWN HC

In celebration of the thirtieth anniversary in 2023, *Disney Tim Burton's The Nightmare Before Christmas: Beyond Halloween Town* explores the beloved movie's creation, journey into pop-culture phenomenon, and its legacy with original interviews, behind-the-scenes photos, and memorabilia. What is it about Jack Skellington that is so compelling? Why does the love between Sally and Jack resonate with so many? The feature-length, stop-motion movie about the Pumpkin King of Hal-

loween Town who becomes obsessed with celebrating Christmas is a fascinating musical and love story that has transcended the original film and captivated the world. From the improbable tale to the lovable characters, Tim Burton's creation has turned into a lifestyle, branching into fashion, video games, card and board games, live-action concerts, themed celebrations at Disneyland, and even cameos in other movies. Featuring an original foreword by Tim Burton himself, *Disney Tim Burton's The Nightmare Before Christmas: Beyond Halloween Town* celebrates the film and the culture that has grown around it with exclusive and original interviews. Is this a dream or reality? He can feel her presence. He knows she's there... But she isn't. She takes him on a trip around New York. In all the places he wouldn't go before.

Before the accident. From Coney Island to the Lower East Side, he's turning the pages of his life with the one he loved. The one he lost.

NOT A NEW YORK LOVE STORY is a tale of emotions, grief and a love letter to a city like no other in the world.

Dream or reality? Julian Voloj's tale plays tricks on your mind and your emotions but never loses his way through a powerful but simple story about two people forever intertwined.

Andreas Gefé's art brings a mix of fine art and raw expressiveness with a muted color palette that puts New York at the center of the story.

A BOOK TO MAKE FRIENDS WITH

By Lukas Verstraete

\$75.00 / HC with Slipcase / 208 pgs / FC / 10.63" x 14"

A Book to Make Friends With marks the explosive English language debut of Flemish cartoonist Lukas Verstraete. What begins as a *Pulp Fiction*-inspired heist soon snowballs into a psychedelic journey full of soul possession, shapeshifting and unrequited romance, culminating in an epic battle between good and evil. At turns playful, philosophical, and kinetically riotous, you've never seen a graphic novel quite like this. Printed as an oversized hardcover edition encased in a luxurious slipcase with briefcase handles(!), this book is as much an aesthetic object as an engrossing work of fiction.

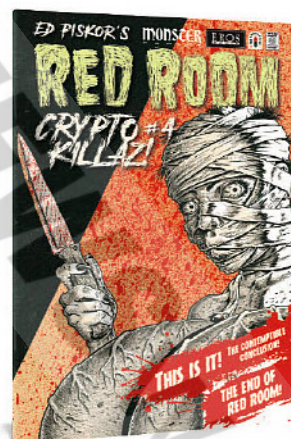

MEMOIRS OF A MAN IN PAJAMAS

By Paco Roca

\$29.99 / SC / 224 pgs / FC / 8.66" x 10.6"

In the vein of sitcoms like *Seinfeld* and *Curb Your Enthusiasm*, Paco Roca's comic autobio vignettes brilliantly satirize the pitfalls of modern-day life. Like most of us, Roca's alter ego just wants to be liked and to do the right thing, but finds that through crippling indecision, cowardly behavior, and the absurd machinations of the universe, he is usually thwarted. The ensuing situations he finds himself embroiled in are as hilarious as they are often painfully relatable.

RED ROOM: CRYPTO KILLAZ #4

By Ed Piskor

\$3.99 / Comic Book / 32 pgs / FC / 6.6" x 10.3"

The secret origin of a Red Room all-star! This final issue of the smash series documents, in lurid detail, every step that goes into creating the most famous Red Room persona in history — and it isn't pretty! Eisner Award winning creator Ed Piskor goes out with a bang in this, the final issue of the goretastic *Red Room* series!

UNCLE SCROOGE AND DONALD DUCK IN LES MISÉRABLES AND WAR AND PEACE

By Giovan Battista Carpi

\$29.99 / HC / 184 pgs / FC / 7.8" x 10.6"

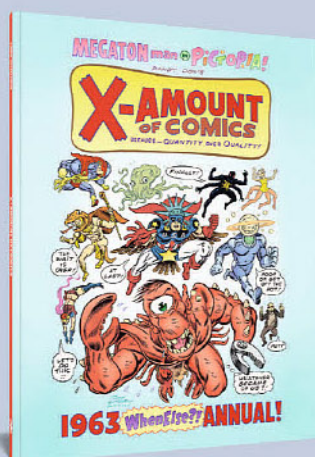

In the tradition of Mickey's *Christmas Carol* and Mickey, Donald, Goofy: *The Three Musketeers*, master Disney comics writer/artists tackle the works of Victor Hugo and Leo Tolstoy. When *gendarme* Javert thinks that Jean McJean (Scrooge McDuck) stole two candlesticks, he swears to catch him—even years later, when McJean has become town mayor and guardian of Daisette (Daisy Duck). Then, in our version of *War and Peace*, Count Donald Dukzukov loves Ducktasha Roastov (Daisy)—but Prince Scrooge McDukzukov wants to force him into an arranged marriage... or punish him in the McDukzukov Metalworks!

The most famous never-completed masterpiece in comics history—Image Comics' 1963 by Alan Moore, Steve Bissette, and Rick Veitch—is finally given the irreverent, and completely unauthorized 72-page climax no-one ever asked for! Written and drawn in an authentic Old School manner, *X-Amount* is just enough to satisfy! A comic for the ages that may finish off the Silver Age once and for all! For sophisticated readers.

THE JOHN SEVERIN WESTERNS FEATURING AMERICAN EAGLE

By John Severin

\$65.00 / HC / 488 pgs / FC / 7.5" x 10.6"

In the 1950s, between his legendary EC work and his celebrated Marvel comics, John Severin joined with *Mad* artist Will Elder and *Two-Fisted Tales* writer Colin Dawkins to introduce a new level of historical accuracy to the comic-book Western. Collected here for the first time are all of the American Eagle stories drawn by Severin from *Prize Comics Western* #85-#113. Plus Severin-drawn stories featuring The Fargo Kid, Black Bull and The Lazo Kid.

A GUEST IN THE HOUSE GN

(W/A/CA) Emily Carroll

Lonely, isolated Abby has just married a widowed dentist who recently arrived in town with his daughter and begins to go through the motions of becoming a wife and mother. But the more she learns about his first wife, the more things don't add up—did she really just pass away or is something more sinister afoot? As Abby delves deeper, the first wife's memory seems to become a force all its own, ensnaring Abby in a mystery that leaves her obsessed, fascinated, and desperately in love for the first time in her life—all leading up to an explosive, tragic conclusion. Emily's masterful balance of black and white, surreal colors, rich textures, and dramatic lettering is assured to bring this story to life and give readers a chill up their spine as they read. A Creator You Should Know: ALEX TOTH

Beginning his career at the young age of 15, and quickly rising to be one of the most iconic artists in both the world of comics and animation, Alex Toth inspired a generation of fans through his body of work, both as an artist and writer. Throughout the mid-1940s and early 1950s, Toth worked for such companies as DC, Famous Funnies, Atlas, Marvel and Visual Edition (Standard). His portfolio included work on *Green Lantern*, *Mystery in Space*, *Strange Adventures*, *Unseen*, *World's Finest*, and *Zorro*. After serving a tour of duty in the US Army, Toth began to work for Hanna-Barbera doing storyboards for *Space Ghost*, *Challenge of the Superfriends*, *Fantastic Four*, *Herculoids*, *Birdman* and *Jonny Quest*. In addition to his work in animation, Toth continued to draw comics and write columns for *Alter Ego* and *Comic Book Artist*. He passed away in 2006.

THE OVERSTREET COMIC BOOK PRICE GUIDE VOLUME 53

(W) Robert M. Overstreet (A) Various (CA) Kevin Nowland

The 53rd edition of the Guide celebrates the 60th anniversaries of The Avengers and the storied Justice League of America/Justice Society of America crossovers. It also includes a look at the influential advertising comics of the pioneering R.F. Outcault, creator of The Yellow Kid and Buster Brown, and a spotlight on Frank Frazetta's Death Dealer. The Bible of serious comic book collectors, dealers, and historians since it was first published in 1970, *The Overstreet Comic Book Price Guide* is released each July by Gemstone Publishing. Compiled by founder Robert M. Overstreet with contributions from an extensive roster of Overstreet Advisors, the Guide offers insight into the complex and exciting comic book market. Iron Man, Thor, Giant Man, and The Wasp square off against Namor the Sub-Mariner and the Incredible Hulk as celebrated artist Kevin Nowlan offers an imaginative new take on Jack Kirby's classic image from *The Avengers* #3 for one cover of *The Overstreet Comic Book Price Guide* #53. The other cover this year features Dan Lawlis' take on Frank Frazetta's Death Dealer: with his horned helmet and obscured facial features, the axe-carrying, armor-clad warrior sits atop a horse and permanently looks ready for battle, evoking whole stories from a single image. (W) Lois Evans (A) Golden Books
The Little Mermaid, visionary filmmaker Rob Marshall's live-action reimagining of the studio's Oscar-winning animated musical classic, opens exclusively in theaters nationwide May 26, 2023. The Little Mermaid is the beloved story of Ariel, a beautiful and spirited young mermaid with a thirst for adventure. The youngest of King Triton's daughters, and the most defiant, Ariel longs to find out more about the world beyond the sea, and while visiting the surface, falls for the dashing Prince Eric. While mermaids are forbidden to interact with humans, Ariel must follow her heart. She makes a deal with the evil sea witch, Ursula, which gives her a chance to experience life on land, but ultimately places her life—and her father's crown—in jeopardy. Relive the magic of the film again and again in this Little Golden Book, perfect for kids ages 2 to 5 and fans and collectors of all ages! (A/CA) Lisa Lugin
In the early 20th century, women in England were demanding the right to vote—and often faced violent retaliation. Rather than back down, suffragist group the Women's Social and Political Union formed an all-women security unit. Activist leader Emmeline Pankhurst asked Edith Garrud to train them. These "Jujitsu-suffragettes" fought against abuse and arrest while pursuing long overdue rights. Edith Garrud was a pioneering instructor of women's self-defense and a pivotal figure in British women's suffrage. MARRY ME A LITTLE GN

(W/A) Robert Kirby
Marriage doesn't define a relationship. Unless you want it to. In *Marry Me a Little*, Rob Kirby recounts his experience of marrying his longtime partner, John, just after gay marriage was legalized in Minnesota in 2013, and two years before the Supreme Court decision in *Obergefell v. Hodges* made gay marriage the law of the land. This is a personal story—about Rob's ambivalence (if not antipathy) toward the institution of marriage, his loving relationship with John, and the life that they share together—set against the historical and political backdrop of shifting attitudes toward gay rights and the institution of marriage. With humor and candor, Rob relates how he and John navigated this changing landscape, how they planned and celebrated their wedding, and how they and others in the gay community are now facing the very real possibility of setbacks to marriage equality. I SURVIVED THE AMERICAN REVOLUTION, 1776 GN

(W) Lauren Tarshis
(A) Leo Trinidad

A gripping graphic novel adaptation of Lauren Tarshis's bestselling I Survived the American Revolution, 1776 with text adapted by Georgia Ball and art by Leo Trinidad. Nathaniel Fox never imagined he'd find himself in the middle of a blood-soaked battlefield, fighting for his life. He's only eleven years old! He's barely paid attention to the troubles between America and England. Instead, he's been worked to the bone by his cruel uncle. But when his uncle's rage forces him to flee home suddenly, Nate finds himself in New York City, in the middle of the American Revolution. He encounters an old friend and joins his army regiment as a camp helper. Soon the British invade — and nothing goes as planned. Can Nate survive the war's biggest battle yet? (STL276920) (C: 0-1-0)

PIGGY VOLUME 1: PERMANENT DETENTION GN

(W) Vannotes (A) Malu Menezes
Join Willow and newcomer Cami as they escape from the clutches of PIGGY and a danger-filled elementary school in this terrifying original graphic novel adventure!

Welcome to the bone chilling, pulse-pounding world of PIGGY, the survival-horror game that will keep you up at night. After the outbreak of a zombie-like disease that's turned the world upside down, Willow and her mysterious team, the Silver Paw, do all they can to stay alive. It's not so easy when there's dangerous creatures called "the infected" and their leader, PIGGY, roaming the streets. Danger is around every corner. When PIGGY ambushes Willow and newcomer Cami, the two escape to an abandoned school only to find they'll

have to survive a barbarian clan of kindergartners, a gladiator pit in the cafeteria, and more all with PIGGY hot on their trail. Can they escape in one piece? Or will this be the end of Willow and the Silver Paw? (STL276926) (C: 0-1-0)

Violeta Rubio only has one goal in mind for her first-ever trip to Puerto Rico: help Abuelita reopen her beloved restaurant, La Casita. After the destruction wrought by Huracán Maria, La Casita needs all the help it can get. The only problem is that Violeta's whole family thinks they can do it without her. Now Violeta doesn't have anyone to hang out with or anything to do. But when best friend duo Diego and Lorena need help capturing the rumored chupacabra, Violeta sees her chance to change all that. What she isn't expecting is to run straight into the beast! Only... he isn't as monstrous as everyone assumes. Sure, he's got some scales and spikes, big red eyes, and pointy fangs—but he's a totally puppy and loyal to a fault. Violeta must find a way keep Chupie hidden and convince her newfound friends that he isn't anything to be scared of. And if that isn't hard enough, a new threat lurks around the corner that is dead set on capturing Chupie for their own nefarious means. Will Violeta be able to save Chupie from the danger that surrounds them without sacrificing everything else in the process? (STL277076) (C: 0-1-0)

TWO TRIBES GN

(W/A) Emily Bowen Cohen
Heartdrum's first graphic novel, by Muscogee-Jewish writer and artist Emily Bowen Cohen, is perfect for fans of *American Born Chinese*. In her poignant debut graphic novel inspired by her own life, Emily Bowen Cohen embraces the complexity, meaning, and deep love that comes from being part of two vibrant tribes. Mia is still getting used to living with her mom and stepfather, and to the new role their Jewish identity plays in their home. Feeling out of place at home and at her Jewish day school, Mia finds herself thinking more and more about her Muscogee father, who lives with his new family in Oklahoma. Her mother doesn't want to talk about him, but Mia can't help but feel like she's missing a part of herself without him in her life. Soon, Mia makes a plan to use

the gifts from her bat mitzvah to take a bus to Oklahoma—without telling her mom—to visit her dad and find the connection to her Muscogee side she knows is just as important as her Jewish side. (STL277080) (C: 0-1-0)

GHOST BOOK GN

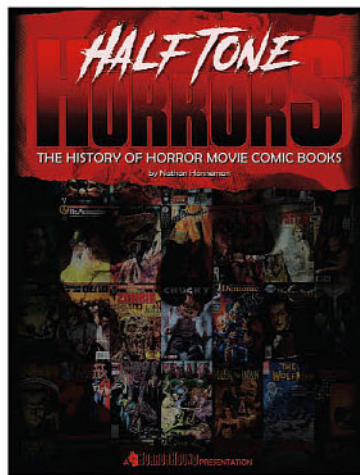

(W/A) Remy Lai

Twelve years ago, the boy and the girl lived. But one was supposed to die. July Chen sees ghosts. But her dad insists ghosts aren't real. So she pretends they don't exist. Which is incredibly difficult during Hungry Ghost month, when the Gates of the Underworld open and ghosts run amok in the living world. When July saves a boy ghost from being devoured by a hungry ghost, he becomes her first ever friend. Except William is not a ghost. He's a wandering soul wavering between life and death. As the new friends set off to return William to his body, they unearth a ghastly truth—for William to live, July must die. Inspired by Chinese mythology, this dark yet hopeful tale about friendship, sacrifice, and the unseen ghost world is a dazzling heir to Studio Ghibli classics. (STL276326) (C: 0-1-0)

Scotland, 2nd century AD. A Roman general, manipulated by a necromancer, awakens an ancient plague in an attempt to conquer the people of the north.

In a desperate bid for survival, the last king of the Picts must unite his tribes and their enemies to fight the dreadful Shadows of Thule.

THE CREATORS OF *THE SHADOWS OF THULE* SPEAK ABOUT THEIR NEW BOOK

How would you describe your book in one sentence?

Patrick: In Roman times, terrifying forces threaten not only the Pictish lands but the entire rest of the world, and only a handful of people stand in their way.

Lionel: A barbarian king is trying to prevent the world from being destroyed by the return of ancient, extra-dimensional, cosmic powers.

How do you create an original work and also pay tribute to all the great names of dark fantasy?

Patrick: It's a balancing act, but I think we pulled it off. It was obvious to us that this story was part of a tradition of stories by some of our favorite authors--Robert E. Howard and H.P. Lovecraft. Our imaginations were formed from theirs. *The Shadows* is an opportunity to pay a heartfelt tribute to their extraordinary creations, and to pay tribute to them for all the reading pleasure they've given us. But we still had to tell the story in an original way. This is obviously done through the story, but also through the characters, which we wanted to portray in a modern and especially choral way, by giving each of them an important part to play.

What does the genre still have to say today? Do you ever think that, during these dark times, the genre becomes exhausted and that people are looking for lightness?

Lionel: The great pivotal eras in fantasy have always been times of crisis. Howard and Lovecraft wrote during the Great Depression and after the bloodshed of the First World War. Tolkien wrote the first drafts of *The Silmarillion* in the trenches, and finished *The Lord of the Rings* during the Blitz. *Game of Thrones* took off during the troubled post-September 11th period. These stories are marked by questions about the nature of power, about the place of Man in the universe. The contemporary world is full of terror--the war in Ukraine, global warming, the depletion of resources, the threat of a sixth mass extinction, the omnipresence of pollution, the questioning of the limits of human identity by transhumanism... More than ever, fantasy is a means of expressing one's relationship with the world as well as a shifted way of interpreting it. The apparent distance from the contemporary only serves to give oneself more freedom of tone and analysis. I don't believe in instant analysis of the contemporary, nor in living testimony. I believe in fiction as a tool of truth, because it tends towards the universal and goes beyond the particular. And I believe that fantasy is its most interesting tool.

PROJECT RIESE #1

It's 1952. The wound WWII inflicted on the world is still fresh. Sam Safdie and his ragtag group of treasure hunters have been searching for the fabled map of the Owl Mountains for years...and they finally found it. Their journey leads them to a massive war complex that hides both unknown horrors and a fortune in gold. However, the deeper they travel, the more they realize the complex has developed a life of its own and that some secrets are better left buried in the past.

Project Riese is an action-packed adventure/sci-fi tale perfect for fans of Uncharted, Overlord, and The Keep.

SEEDS OF SPRING #4

(W) Christopher Coquard
(A) Sacha Ravenda

Close ties of friendship and family are strengthened and celebrated in the fourth comic in the 15-part *Seeds of Spring* series. As Naguset's brother Mu'in prepares to be deployed, Naguset bonds with Mandy over punk songs from Chris, finding a moment of distraction and hope amidst harmful outside messages. Back in the 1800s, young Peter is reunited with his beloved brother, forges friendships, and defines success for himself in choosing his path after graduation. In this innovative serial graphic novel, Naguset, a modern Canadian Mi'kmaq teenager, exchanges books and mix tapes with her pen pal, Chris. Her imagination sparks when he sends her a biography of the 19th century Russian anarchist Peter Kropotkin. MINGUS HC

(W) Flavio Massaruto (A) Squaz

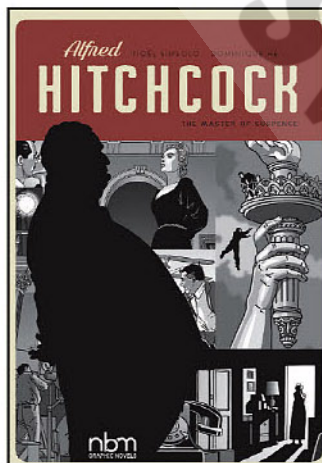

Bass player and pianist, composer and band leader, Charles Mingus is universally recognized as one of the greatest musicians in the history of jazz. An overflowing talent, who experienced the last fires of the swing age, the Be Bop revolution, the experimental seasons of Third Stream and Jazz Poetry up to Free Jazz. But he was also a tormented and angry soul, a man who, due to his mestizo origins, always had to deal with the hostility of American society. Journalist Flavio Massarutto and artist Squaz (*Pasquale Todisco*) retrace the stages of Mingus's journey, giving life to a non-canonical biography, which proceeds in paginated episodes like a succession of passages that form a musical suite: fragments of existence told by fishing from interviews, writings, testimonies and historical facts. The portrait of a musician who is the mirror of an era comes out, of a brilliant composer who was also one of the most clearly committed artists in denouncing racism, with real manifesto pieces such as the famous *Fable of Faubus* denouncing the segregationist governor of Arkansas. ALFRED HITCHCOCK: MASTER OF SUSPENSE HC

(W) Noel Simsolo (A) Dominique He

In 1960, the film *Psycho* traumatized viewers around the world. Never before had the angst or the suspense been so well presented in cinema. But where does the talent of this Alfred Hitchcock come from, the one now nicknamed the "Master of Suspense"? To find out, we must first go back to his youth, in England, during the first half of the 20th century. Having grown up in a Catholic family—a religious originality that will be felt in a large part of his cinema—"Hitch" is an atypical Englishman who, very early on, has a taste for telling stories. The temptation to work for the cinema will not be long in coming, first as a graphic designer at Islington

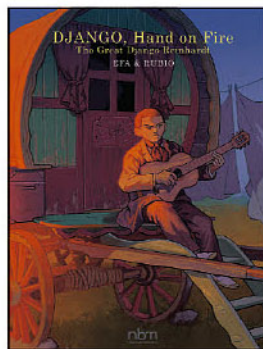

Studios in London where his visual talent will lead him to make his debut behind the camera, as an assistant and then as a full director. It is also here that he will meet Alma Reville, his assistant and wife who will accompany him throughout his storied career, including the jump to the big time in Hollywood. Discover the life of undoubtedly one of the greatest filmmakers of all time. (STL217511) HC, 8x10, 320pgs, B&W\$44.99

O/A DJANGO, HAND ON FIRE: GREAT DJANGO REINHARDT HC

(W) Salva Rubio (A) Efa
Django Reinhardt is a legend. But Django — which may have meant “I awake” — was twice born. A first time in the snow, during the winter of 1910 in a nomadic gypsy family stationed in Liberchies, Belgium. The second in Saint-Ouen, near Paris, in the fall of 1928, when a fire in his caravan mutilated his left hand. This biography devoted to the youth of the prodigy musician features the passion and determination of the man who has always considered himself the greatest guitarist in the world. In this story-score, by laying out the panels like chords, the artist brings to life his passion in vibrating watercolor to better accompany the musical and technical development of the inventor of gypsy jazz. PITTSBURGH HC

(W/A) Frank Santoro
Pittsburgh is the story of a family, and a city. Frank Santoro faces a straightforward yet heart-rending reality: His parents, once high-school sweethearts, now never speak to each other—despite working in the same building. Stuck in the middle, he tries to understand. The result is this book. Using markers, pencils, scissors, and tape, with a variety of papers, drawing in vivid colors and exuberant lines, Santoro constructs a multi-generational retelling of their lives. Framed by his parents' courtship and marriage, and set amid the vital but fading neighborhood streets, the pages of Pittsburgh are filled with details both quotidian and dramatic—from his childhood mishaps to his father's trauma in Vietnam—intrigued throughout with the mute witness of the family dog, Pretzel. *Pittsburgh* is an extraordinary reimagining of the comics form to depict the processes of memory, and a powerful, searching account of a family taking shape, falling apart, and struggling to reinvent itself, as the city around them does the same. SHOCK! TERROR! FUN! SATURDAY MORNING MEETS THE STROKE OF MIDNIGHT IN AN ALL-NEW, BI-MONTHLY LIMITED SERIES PRESENTED IN PRESTIGE FORMAT, 72-PAGE CHAPTERS WITH TWO COMPLETE TALES IN EACH ISSUE!

Welcome to Elwich, an oasis of American perfection, where the schools overflow with cheery-eyed children, lovingly adorned homes line the historic boulevards . . . and only the crows can see the deep, festering rot that lurks beneath the pristine surface. Murder. Demonology. Possession. Obsession. Elwich has them all on offer—and behind every DWELLING awaits a horrifying new story to be told!

From the sugar-addled brain of Emmy Award-winning, Eisner Award-nominated cartoonist and animator Jay Stephens (*Tutenstein*, *Jetcat Clubhouse*), prepare yourself for the inescapable curse of "They Know" and the sinister purpose of "Second Tongue" as *Dwellings* unleashes its first two-fisted tales of occult terror! Fear has never looked like so much fun . . .

WRITER/ARTIST/COVER DAN WHITE

Meet Cindy and Biscuit: a girl and her dog. People (even her mum!) keep telling Cindy she's weird, that she's got a morbid, overactive imagination—but if that was true, why would she keep encountering all these monsters, ghosts, and aliens in real life? Watch Cindy and her fearless four-legged best friend get in to all kinds of trouble, as their little coastal town seems to have a preponderance of werewolves, undead mermaids, dimensional portals, alien invasions, and worse . . . it's dark out in the woods! Luckily for all of us, Cindy is the action hero we needed—just in time to save the world a few times between now and detention.

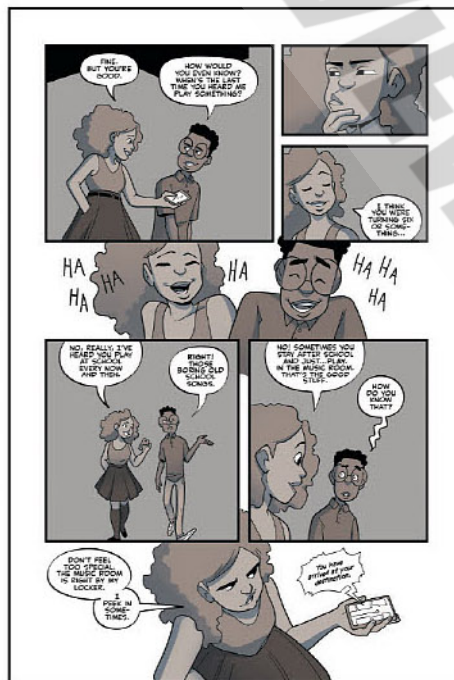

From revered British indie cartoonist Dan White comes **A MONSTER-FIGHTING LATCHKEY KID** in the vein of *I Kill Giants* and *Courtney Crumrin*.

What does the perfect song sound like? Normally, Malcolm Kid wouldn't give this type of question the time of day. As a straight-B student with a heart of copper, he is far more concerned with overcoming mediocrity than he is with achieving perfection. But that all changes when he stumbles across the LK-2000—a strange keyboard cursed with the soul of an old jazz musician. Malcolm soon learns that the only way to free this musician's soul is by performing the perfect song. With much hesitation, and the help of his lifelong friend January Young, Malcolm embarks on a musical journey across the city of New Bronzeville in the hopes of discovering the perfect song and finding himself as a musician along the way.

For Better or For Worse meets the satirical humor of contemporary American life in *Cartoonshow*, where single dadding, money troubles, and political turmoil take the stage.

Derek is a solo parent raising three kids in the American South while trying to make art. Told in a series of free-flowing and often hilarious comic essays, *Cartoonshow* gets to the heart of the struggle to be a creative person in a society that doesn't value anything other than how much it can grind out of you. COVID, poverty, the failing social safety net, predatory lenders, and literal acts of God can't stop our hero!

Derek M. Ballard makes modern American family comics. It's not his fault that being a single parent in America is kind of a nightmare.

ARTIST/COVER RYAN LEE

All-star writer Stephanie Phillips (*Grim*, *Harley Quinn*) and fan-favorite artist Ryan Lee (*Inhuman*) come together to put Rick and Morty through a dimension-colliding CRISIS the likes of which the multiverse has never seen!

Can Rick and the Smith family band together to find the last shred of heroism left in our universe . . . or will they just let this one work itself out? When the universe's great defenders, the Vindicators, are all but eradicated, the weight of every sinister, galactic threat falls on the narrow shoulders of the guy who wiped them out. Rick Sanchez and the Smith family pull together the remaining ragtag superheroes to respond to a familiar band of enemies. Kind of suspiciously familiar, actually. Seems pretty targeted, now that you mention it . . .

ALONG CAME A RADIOACTIVE SPIDER: STRANGE STEVE DITKO AND THE CREATION OF SPIDER-MAN HC

(W) Annie Hunter Eriksen (A) Lee Gatlin

Spider-Man's web of stories began far before the first drawing of nerdy teenager Peter Parker. They started with Steve Ditko, a kid who loved comics so much that he would brave blizzards to get new issues. Steve was strange—he was introverted, his art was shadowy, and his characters didn't fit the mold of handsome heroes like those crafted by Marvel legends Stan Lee and Jack Kirby. But it's not so strange that the traits that made Steve different were what made his characters stand out. Swing into the life of Steve Ditko and discover how he transformed a brawny, super-powered Spiderman into the perpetually awkward teenager who we know and love: Spider-Man, a character who relies on his inner strength more than super strength, who got his powers not through magic but through the bite of a radioactive spider... This biography takes the mask off the famously reclusive artist and shares the story of how his wall-crawling hero became a friendly neighborhood icon. (STL276325) (C: 0-1-0)

THE COMPLETE PERSEPOLIS 20TH-ANNIVERSARY EDITION HC

(W/A) Marjane Satrapi

For the first time in hardcover, a stunning twentieth anniversary collected edition of "the most original coming-of-age story from the Middle East yet" (People), with a new introduction by the author that examines the Iranian political landscape in the context of global politics. Here, in one volume: Marjane Satrapi's best-selling, internationally acclaimed memoir-in-comic-strips. Persepolis is the story of Satrapi's unforgettable childhood and coming of age within a large and loving family in Tehran during the Islamic Revolution; of the contradictions between private and public life in a country plagued by political upheaval; of her high school years in Vienna facing the trials of adolescence far from her family; of her homecomingsweet and terrible; and, finally, of her self-imposed exile from her beloved homeland. It is the chronicle of a girlhood and adolescence at once outrageous and familiar, a young life entwined with the history of her country yet filled with the universal trials and joys of growing up. (W) Geronimo Stilton

Papercutz proudly collects 4 Geronimo Stilton graphic novels in 1! In "Lights, Camera, Stilton!", the Pirate Cats go back in time to steal the Lumiere brothers' brilliant invention, the cinematograph, in order to go down in history as the inventors of the movies. Can Geronimo and his friends thwart the Cats' evil plans and keep Catardone from becoming a star? Then in "The Mystery of the Pirate Ship," the Pirate Cats travel to the 18th Century to do what they do best... be pirates! So they steal an old ship sailing on the Indian Ocean to pillage the East India Company's merchant ships! Following that, in "First to the Last Place on Earth!" it's a race to the bottom of the world when Geronimo and his friends Petunia, Benjamin, Trap and Bruce join explorer Roald Amundsen's expedition to reach the South Pole in 1911. They'll have to evade the sneaky sabotage of the Pirate Cats to make sure Amundsen is the very first person to reach the Pole! Finally, in "Lost in Translation," the Pirate Cats have stolen the original Rosetta Stone and replaced it with their own version. Now it's up to Geronimo and friends to find the real Stone and give it back to history. In this action packed 4 in 1, it's a cheddar-lific race against time! (STL277115) (C: 0-1-1)

GOLDEN AGE CLASSICS: THE SPIRIT VOLUME 1 HC

(W) Will Eisner (A) Will Eisner, Lou Fine (CA) Will Eisner
The Spirit is a fictional masked crime fighter created by cartoonist Will Eisner, who fights crime with the blessing of the city's police commissioner Dolan, an old friend. Despite the Spirit's origin as detective/criminologist Denny Colt, his real identity was rarely referred to after his first appearance, and for all intents and purposes he was simply "The Spirit." The stories are presented in a wide variety of styles, from straight forward crime drama and noir to lighthearted adventure, from mystery and horror to comedy and love stories, often with hybrid elements that twisted genre and reader expectations. Quality Comics was an American comic book publishing company that operated from 1937 to 1956 and was largely influential in creating the Golden Age of comic books. From 1940-1950, printer Everett M. "Busy" Arnold reprinted Eisner's *Spirit* stories under his Quality Comics banner. Comic book stories from the 1940s and 1950s may depict some ethnic and racial prejudices that were once commonplace in American culture. Such depictions were wrong then and are wrong today. While not representing the publisher's view of today's society, these stories are printed as they were originally created, because to do otherwise would be the same as claiming these prejudices never existed. Collects *The Spirit* #1-4 (1944 to Spring 1946). (STL276915) (C: 0-1-2)

PRE CODE CLASSICS: GHOST RIDER SOFTEE VOLUME 1

(W) Ray Krank, Dick Ayers
(A) Dick Ayers, Frank Frazetta
(CA) Dick Ayers
Created by Dick Ayers and Ray Krank, Rex Fury was originally known as the Calico Kid, who together with his white horse Spectre became the Ghost Rider! Wearing a white outfit covered with phosphorus and using a cape that had phosphorescent on one side and black on the other, he could cover parts of his body to give the illusion that he was merely a floating head or pair of hands. To further the illusion, he wielded a black lariat and black bullwhip—even Spectre glowed in the dark! The Ghost Rider battled many foes, who like him, were not truly supernatural at all, such as an imposter of Frankenstein's Monster and the Harpy, werewolves and vampires! QUILL TREE BOOKS

THE INFINITY PARTICLE GN

(W/A/CA) Wendy Xu

This thought-provoking limited-edition palette graphic novel by the co-creator of *Mooncakes* explores big questions through the eyes of an aspiring inventor and the lifelike AI she finds herself falling for. Clementine Chang moves from Earth to Mars to start over. On the first day of her dream job working for Dr. Marcella Lin, an Artificial Intelligence pioneer, Clem meets Dr. Lin's assistant, a gorgeous, yet cold humanoid AI named Kye. Sure, Clem has built her own robot—a cute moth-shaped companion named SENA—but Kye feels almost... human. When Clem and Kye begin to work together, their chemistry sets off sparks. The only downside? Dr. Lin won't allow Kye to become more independent. And their relationship is causing Clem to question everything she knows about her work. After all, if Kye is sentient enough to have feelings, shouldn't he be able to have his own thoughts? Where is the line between AI and human? As her future and her past weigh down on her, Clem becomes determined to help Kye break free—even if it means risking everything she came to Mars for. (STL277086) (C: 0-1-0)

STAN LEE'S BACKCHANNEL VOLUME 1

(W) Stan Lee, Tom Akel (A) Andie Tong
One of the final projects of the legendary Stan Lee and beautifully illustrated by *Spider-Man* veteran Andie Tong, *Backchannel* centers on Tom Tanner and his father, Martin. On the surface, Tom Tanner leads an average high school life—struggling to stay on the lacrosse team, hiding his affections for his friend Sally, and trying to keep his head down and grades up. What his father, an LA police detective, doesn't know is that Tom is an engineering prodigy and is being recruited by BACKCHANNEL, a decentralized hacktivist group causing havoc at prisons across the U.S. While developing a highly sophisticated AI algorithm, a power awakens within Tom that grants him the ability to mentally hack into any device (technopathy). While initially using this newfound power for personal gain and petty revenge, he learns of a dark secret from his father's past that will change him forever. When he discovers that the hacktivist group BACKCHANNEL has been tracking him and is aware of his new abilities and reaching out to him for help, Tom is set on a very dangerous path. I AM GANDHI SC

(W) Brad Meltzer
(A/CA) Chris Eliopoulos
Now in paperback, here is the inspiring story of Gandhi's peaceful revolution, part of the *New York Times*-bestselling series of biographies of heroes for ages 5 to 9. This friendly, fun biography series, inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*, focuses on the traits that made our heroes great—the traits that kids can aspire to in order to live heroically themselves. This book tells the story of how Gandhi used the principles of nonviolence and noncooperation to fight discrimination against Indians in South Africa and to end British rule in India. Like the series' biography of Martin Luther King, Jr., Gandhi's story focuses on his peaceful heroism in the struggle for civil rights and social change. (STL277793) (C: 0-1-0)

I AM JACKIE ROBINSON SC

(W) Brad Meltzer
(A/CA) Chris Eliopoulos

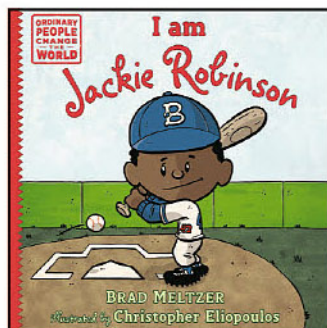

Now in paperback, here is the story of groundbreaking baseball player Jackie Robinson, part of the *New York Times*-bestselling series of biographies of heroes for ages 5 to 9. This title features Jackie Robinson, the first African-American to play Major League Baseball. His bravery made history, leading the way to equality in all sports in America.

Each picture book in this series is a biography of a significant historical figure, told in a simple, conversational, vivacious way, and always focusing on a character trait that made the person heroic. The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. (STL277798) (C: 0-1-0)

WHAT WOULD VELMA DO?: LIFE LESSONS FROM THE BRAINS (AND HEART) OF MYSTERY, INC. HC

(W) Shaenon Garrity

From the moment *Scooby-Doo, Where Are You!* premiered in 1969 and through the many *Scooby* movies and shows since, it has cemented its place as one of the greatest cartoons of all time. But there is one character in particular who has risen to icon status: a smarty-pants who can't see without her glasses named Velma Dinkley. As the nerdiest member of the Mystery, Inc. gang, Velma might have been a wallflower or an underdog. Instead, she's become a fan favorite, a fashion legend, a stand-out role for Linda Cardellini in the live-action movies, the inspiration for countless Halloween costumes, and the star of her own animated series from Mindy Kaling. But why, exactly, do we love this brainiac so much? *What Would Velma Do?* explores the answers to that question, as well as the many inspiring takeaways we can learn from her, the history of the character, and enough fun facts and trivia to make you say Jinkies! (W) Hedwig Hale
(A/CA) Alberto Hernandez R.

Elsie Baker is a 134-year-old vampire in the body of a 9-year-old girl. Sick and tired of stupid adults treating her like a lost little girl and not letting her buy cigarettes, Elsie decides to hire a babysitter to be her chaperone. Enter Brenda Zielinski, a suicidal teenager in search of some quick cash so she can buy a one-way ticket to Scotland to jump off a cliff. Despite the generous payday, it turns out that babysitting a vampire might be more trouble than it's worth. This new "Legendary Edition" format measures 11" x 17". (STL277010)

The Lady of the Lake is the true hero in this cinematic twist on the tale of King Arthur created by Thomas Wheeler and Frank Miller (300, Batman: The Dark Knight Returns, Sin City). Whosoever wields the Sword of Power shall be the one true King. But what if the Sword has chosen a Queen? Nimue grew up an outcast. Her connection to dark magic made her something to be feared in her Druid village, and that made her desperate to leave... That is, until her entire village is slaughtered by Red Paladins, and Nimue's fate is forever altered. Charged by her dying mother to reunite an ancient sword with a legendary sorcerer, Nimue is now her people's only hope. She wields a sword meant for the one true king, battling paladins and the armies of a

corrupt king. She struggles to unite her people, avenge her family, and discover the truth about her destiny. Featuring 8 full-color and 30 black-and-white pieces of original artwork by Frank Miller. (STL236866) (C: 0-1-1) RES. from PREVIEWS Vol. XXXII #7 (JUL221914)

(W) Emily Riesbeck (A) NJ Barna

Our Flag Means Death gets a magical, sapphic twist in this swashbuckling young adult graphic novel adventure full of high-stakes adventure, fantastical creatures, and a swoony enemies-to-lovers romance. "I want to be beautiful. I want to be interesting. I want to be enough." That was Ferra Brickminder's prayer to win back the love of her life. And the gods answer—just not in the way she expected. After hoping for a miracle, Ferra instead watches her skin turn into delicate and dangerously breakable porcelain. Elsewhere, Brigantine de la Girona, a disgraced orc pirate captain, has her own problems. Peniless and banished from her home, Brig struggles to make ends meet with her crew as her only support. So, when a desperate Ferra enlists Brig to sail her across the Great Sea to her ex-girlfriend's home for a very handsome fee, Brig is happy to strike a deal. Pampered Ferra and tough-as-nails Brig quickly butt heads, bickering their way across the high seas, but as they encounter increasingly perilous obstacles—including the gods themselves—the two become reluctant allies... and maybe more. (W/A) Joseph Kai
What would life feel like without fear and oppression? Is it possible to find solace in the power of chosen family, underground art collectives, and ultimately revolution? Set in Beirut, Lebanon, a city once known to be a vibrant cultural center of the region. It's 30 years after the end of the civil war, and a few months before the disastrous explosion of August 2020. Samar, a young queer comic book artist, wanders between anguished dreams, childhood memories, romantic experiences, and Beirut's alternative communities. Three powerful themes: art, sex, and political uprising, are interwoven in a compelling narrative and

an otherworldly color palette. (STL276957) (C: 0-1-1)

TASCHEN AMERICA L.L.C.

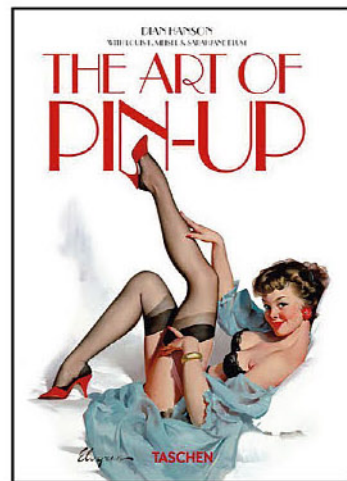

THE ART OF PIN-UP: TASCHEN 40TH-ANNIVERSARY EDITION HC

(W) Dian Hanson & Various
(A) Alberto Vargas & Various
(CA) Gil Elvgren

Since TASCHEN released *The Great American Pin-up*, international interest in this distinctly American art form has increased exponentially. Paintings by leading artists such as Alberto Vargas, George Petty, and Gil Elvgren that sold for \$2,000 in 1996 are going for \$200,000 and more today. Pin-up drawings, paintings, and pastels of an idealized female face and figure intended for public display—was produced between 1920 and 1970 for calendars, magazine covers, and centerfolds. This attractively priced edition showcases the top 10 names in the game. Each chapter opens with a reproduction of an original calendar or magazine cover by that artist. The reproduction quality of the paintings, pastels, and preparatory sketches that follow, largely sourced from the original art, invites the viewer to trace the brushstrokes, while the exquisite period calendars, vintage prints, and original model photos document the artists' creative process. SPOTLIGHT ON

MARVEL COMICS LIBRARY: X-MEN VOLUME 1: 1961-1966 HC

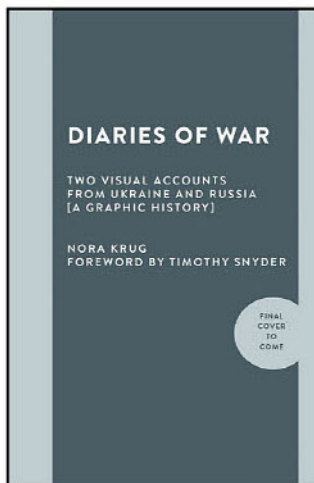

(W) Stan Lee (A/CA) Jack Kirby
When Martin Goodman asked Stan Lee to deliver another new team book for his line of comics, he had no idea he'd be getting something like The X-Men. What they started out as was a charming, ragtag team of misfits, devised by Lee and Kirby to be mutants—youngsters born with “X-tra” powers thrust upon them not by accidentally crossing paths with cosmic rays or a nuclear blast, but by the fate of birth, led by a no-nonsense professor who trained them to become heroes that could protect the world from menaces, mutant and otherwise. The first years of storytelling laid the

foundation for much of what has put the X-Men at the crossroads of comics and popular culture: Hounded by a public that fears and misunderstands them, mutantkind find themselves at the heart of their own civil rights struggle; Cyclops, Marvel Girl, Angel, Beast, and Iceman found safety amongst themselves despite the challenges that set them apart from others in society; and Professor Xavier lined up against his ideological foe, Magneto, who had assembled a Brotherhood of Evil Mutants to take the fight directly to humankind. Close in size to the original artworks, this XXL-sized edition features the first 21 stories of our favorite oddball super heroes from 1963-1966. In addition to these seminal tales are an original foreword by modern X-Men mastermind Chris Claremont, reliving the heyday of Lee and Kirby's foundational years, and an in-depth essay by X-Men writer Fabian Nicieza alongside original art, photographs, and memorabilia from the early years of X. DIARIES OF WAR GN

(W) Nora Krug, Timothy Snyder
Immediately following Russia's invasion of Ukraine in February 2022, Nora Krug connected with two anonymous subjects—“K,” a Ukrainian journalist, and “D,” a Russian artist—and began what would become a year of correspondence. *Diaries of War* transforms Krug's weekly communications with K. and D. into an intimate, illustrated epistolary format. In both the graphic adaptation of Timothy Snyder's *On Tyranny* and Krug's own memoir, *Belonging*, Krug touched on difficult, contentious topics, from personal and societal identity to political conflict and more, with immense skill and compassion. She brings the same moving thoughtfulness to this collection. With millions of Ukrainians displaced, injured, or killed as a result of the conflict, Krug provides a personal look at the sorrowful effects of war on an individual level—such as loss of resources, emotional and existential distress, displacement and disconnection. **PAUL BUNYAN:
INVENTION OF AN
AMERICAN LEGEND GN**

Did you know that a mainstay of American folk culture was in fact created as an advertising play? Few people realize that Paul Bunyan, the legendary lumberjack, and his blue ox are the product of corporate marketing by a highly industrialized industry. Cartoonist Noah Van Sciver shows us the myth creation as real life marketing man extraordinaire W.B. Laughead spins ever more wondrous tall tales. Van Sciver's story is bracketed by rich contributions from contemporary Native artists and storytellers with a very different connection to the land that the Bunyan

myths often conceal. Readers will see how a lumberjack hero, a quintessential American fantasy, captures the imagination but also serves to paper over the seizure of homeland from First Peoples and the laying bare of America's northern forests. It's a tall tale with deep roots... in profit-making! (STL277182) (C: 0-1-0)

THE RUN AGAIN! GN

(W/A) Arnold Arre

It's open season on the Mythology Class as an army of the undead hunts them down! The next chapter in the *Mythology Class* saga, this pulse-pounding epic plays out in the porous border between worlds. The Mythology Class has been placed in desperate situations before, but a new influx of evil must be driven back. Will the former classmates return to their former glory and summon the strength that once united their team? The Mythology class friends thought they were safe from the Dark Anitos, but now the evil Budniaan has arrived in their world

with his army of zombie warriors and demented engkantos demons, and their lives are once again at stake. With Rey and Misha on the other side of the globe and the group at odds over what to do, the one course they can all agree on is the inevitable one and combine their strengths to thwart Budniaan's threat. Revisiting a scene of their past triumphs, the group uncovers an ancient artifact. Will it lead them to the safety of the Skyworld, the spirit realm? (STL277060) (C: 0-1-1)

THE PACIFIC COMICS COMPANION SC

(W) Stephan Friedt (A) Various (CA) Dave Stevens
Author Stephan Friedt shares the story of the meteoric rise of the Schanes brothers' California-based imprint Pacific Comics, which published such legends as Jack Kirby, Sergio Aragonés, Steve Ditko, Neal Adams, Mike Grell, Bernie Wrightson, and Dave Stevens. From its groundbreaking 1981 arrival in the fledgling direct sales market, to a catastrophic, precipitous fall after only four years, *The Pacific Comics Companion* reveals the inside saga, as told to Friedt by Bill and Steve Schanes, David Scroggy, and many of the creators themselves. It also focuses on the titles and the amazing array of characters they introduced to an unsuspecting world, including *The Rocketeer*, *Captain Victory*, *Ms. Mystic*, *Groo the Wanderer*, *Starslayer*, and many more. Written with the editorial assist of Eisner Award-winning historian Jon B. AMERICAN COMIC BOOK CHRONICLES: THE 1990S HC (NEW PRINTING)

The 1990s was the decade when Marvel Comics sold 8.1 million copies of an issue of the *X-Men*, saw its superstar creators form their own company, cloned Spider-Man, and went bankrupt. The 1990s was when Superman died, Batman had his back broken, and the runaway success of Neil Gaiman's *Sandman* led to DC Comics' Vertigo line of adult comic books. It was the decade of gimmicky covers, skimpy costumes, and mega-crossovers. But most of all, the 1990s was the decade when companies like Image, Valiant and Malibu published million-selling comic books before the industry experienced a shocking and rapid collapse. SLIME SHOP GN

(W) Karina Garcia, Kevin Panetta
(A) Niki Smith

YouTube Slime Queen Karina Garcia teams up with writer Kevin Panetta and artist Niki Smith for a fun, colorful adventure that follows three friends as they run their own slime shop and the slimes who come alive to help them. Bailey, Sophia, and Jayden run the BSJ Slime Shop, but what the three slime makers don't know is that when they're not around, the slimes come to life! When the creators start shipping slimes off to who knows where, the slimes left at the shop start to worry that they're next. Even as Polly tries to convince her friends that everything is fine, Boris, a grumpy, green slime, starts taking things into his own hands. Then slimes start disappearing and suddenly the shop is full of zombie slimes. With half the shop zombified and the other half scared silly, Polly has no choice but to go on a quest, along with her friends Max and Karma, to discover the truth about the slimes being shipped off and find a way to save their friends before it's too late! TOUSSAINT
LOUVERTURE GN

(W) C.L.R. James & Various

A stirring graphic novel of the Haitian Revolution written by renowned Trinidadian historian C.L.R. James and adapted by artists Nic Watts and Sakina Karimjee

This impassioned and beautifully drawn book dramatically recounts 'one of the great epics of revolutionary struggle and achievement'—the Haitian Revolution of 1794-1803. It is also the stirring—and incredible—story of Toussaint Louverture, a man born into slavery who rose to become the revolt's indispensable leader. Perhaps more than any other figure from the Age of Revolution, he gave voice to a truly universal call for liberty and equality. This page-turning visual narrative surrounds Toussaint with fiery radicals like Haitian leader Des-

salines and intransigent French like Napoleon. Above all, the book portrays the world-changing force of the enslaved Haitian people, for, as James famously wrote, "Toussaint did not make the revolution. It was the revolution that made Toussaint." (STL277183) (C: 0-1-0)

YOUR PAL FRED:
LOW POWER GN

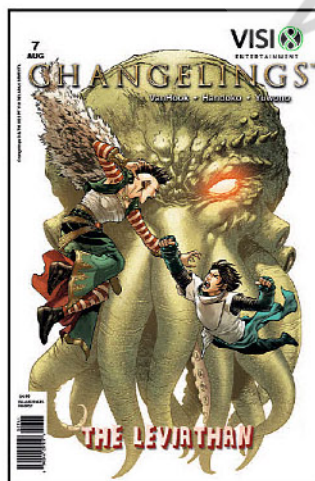

(W/A) Michael Rex

Fred has made quite a name for himself as a peacemaker since his last adventure! Now everyone who loves to argue is coming to him for help resolving their disagreements, but there's just one problem—Fred is low on power. Thanks to the clouds of pollution in the sky, Fred's solar battery can't recharge. With the help of his best friend, Wormy, he sets off for SunTop—a city with a sky-high place where the sun can be seen. But once there, he's told that he can't recharge unless he stops a clan of garbage-like creatures from attacking every night. It's a race against time for Fred to solve the mystery of the Trash before he runs out of power forever! (STL277185) (C: 0-1-0)

MAKING COMICS: STORYTELLING SECRETS OF COMICS SC (NEW PRINTING)

(W/A) Scott McCloud

Scott McCloud tore down the wall between high and low culture with *Understanding Comics*, a massive comic book about comics, linking the medium to such diverse fields as media theory, movie criticism, and web design. In *Reinventing Comics*, McCloud took fans to the next level, charting 12 different revolutions in how comics are generated, read, and perceived today. Now, in *Making Comics*, this artistic genius focuses his analysis on the art form itself, exploring the creation of comics, from the broadest principles to the most minute artistic details. McCloud's cartoon narrator shows how to master the human condition through word and image in a brilliantly minimalist way. Comic book devotees as well as the most uninitiated will marvel at this journey into a once-underappreciated art form. (STL277365)

WILL EISNER: EXPRESSIVE ANATOMY FOR COMICS SC

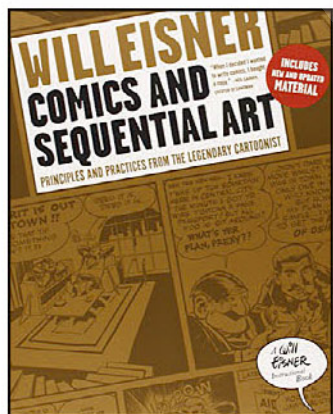

This book reveals the secrets of Will Eisner's techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling.

Eisner's control over the mechanical and intuitive skills necessary for its application set him apart among comics artists, and his principles of body grammar have proven invaluable to legions of students in overcoming what is perhaps the most challenging aspect of creating comics. *Expressive Anatomy for Comics*

and *Narrative* will benefit comics fans, students, and teachers. (STK670108)

WILL EISNER: COMICS AND SEQUENTIAL ART SC

Will Eisner is one of the twentieth century's great American artists, a man who pioneered the field of comic arts. Here, in his classic *Comics and Sequential Art*, he refines the art of graphic storytelling into clear, concise principles that every cartoonist, comic artist, writer, and filmmaker needs to know. Eisner reveals here the fundamentals of graphic storytelling. He addresses dialogue, anatomy, framing, and many other important aspects of the art form. Fully updated and revised to reflect current practices and technology, including a section on digital media. (STL007127)

Akane takes on the world of rakugo—the traditional Japanese art of storytelling—to restore her father's honor.

Akane-banashi

Shinta Arakawa wants nothing more than to pass his shin'uchi exam—the test that would make him a top-rank headliner and master storyteller in the traditional Japanese art of rakugo. Akane Osaki, his daughter and biggest fan, spies on him while he practices and learns his routines for herself. When a rakugo master expels everyone after the exam with no explanation, a fire is lit inside Akane. From that day forth, she has had one goal—to avenge her father and prove his art was worthy of the title of shin'uchi.

Kaboku Kotani is starting high school, and he plans to do what he's always done: go along with his friends, keep quiet, and not to draw too much attention to himself. After all, it's hard enough to get by with a stutter like his—why make things worse by standing out from the crowd? But then he sees another first-year, Hikari Wanda, dancing like no one is watching—or like she doesn't care who sees her. It makes Kaboku wonder: Could he reach that same freedom? To find his way to Wanda, he does something he never thought he could: He joins the dance club. After all, every routine begins with a single step, right? VILLAINESS LEVEL 99: I MAY BE THE HIDDEN BOSS BUT I'M NOT THE DEMON LORD VOLUME 1 GN

(W) *Tanabata Satori* (A) *nocomi*
A college student finds herself resurrected as Eumiella, an evil daughter of the nobility in the world of an Otome RPG that she played in her previous life. In the RPG, Eumiella isn't worth thinking about at first, but in the endgame content she returns as a hidden boss, complete with ridiculous stats that put her on par with even the game's heroes. After being essentially abandoned by her parents at their family domain, the flames of Eumiella's former gamer soul are ignited, and she takes to leveling, and leveling, and leveling, until... at the time of enrolling in the Royal Academy, she discovers that she is level 99. Though she'd originally planned to live a peaceful and discreet life, the game's heroine and her love interests suspect that Eumiella is in fact the infamous Demon Lord. So begins the fantasy tale of a most powerful, evil hidden boss (who wishes she could just live a life of peace and quiet). (STL275902) Scheduled to ship in August 2023. (C: 0-1-2)

A STEPMOTHER'S MARCHEN VOLUME 1 GN

(W) Spice&kitty (A/CA) ORKA

A full-color fantasy comic/webtoon of romance, drama, and second chances. Also known in English as *The Fantasie of a Stepmother* on the Tapas Media digital platform, this is the story of a beleaguered young noblewoman raising her stepchildren on her own... until she dies and wakes up in the past with the chance to remake her life! The marchioness Shuri Von Neuschwanstein is no stranger to hardship: her husband dies when she's still a teenager, leaving her to manage his lands and raise his semi-grown children herself. Her stepchildren never warm up to her, and other nobles disparage her behind her back. Years later, however, it seems her efforts have finally paid off: her eldest stepson is to be married and take over the estate, freeing her of many

responsibilities. But shortly after learning the cruel truth that she's not invited to his wedding, she dies and wakes up on the day of her husband's funeral seven years earlier! If Shuri is to live these seven difficult years all over again, she's going to do things differently. Can she write her own fairy tale ending this time around? COLORLESS VOLUME 5 GN

(W/A/CA) Kent

A stylish noir-punk thriller set in a world stripped of its color and humanity. This visually striking manga series is presented in two-tone printing that contrasts a gritty, monochromatic world with sudden electric splashes of neon color. A cosmic disaster changed the Earth forever, stripping away every last drop of color from the world. Mankind also changed: the familiar human face is almost forgotten in a world now populated wholly by mutants. Against the backdrop of a moody urban landscape, a lone-wolf investigator named Avidia relies on both his wits and extraordinary gun to hunt down the world's last hidden scraps of color. He soon crosses paths with a very special girl, one who just might hold the key to bringing back what the world has lost. (STL277762) Scheduled to ship in October 2023. (C: 0-1-1)

O/A GUARDIAN OF FUKUSHIMA GN

(W) Fabien Grolleau (A) Ewen Blain
It was March 11, 2011 when a massive earthquake triggered a devastating tsunami, which, in turn, destroyed the core three reactors of the Fukushima nuclear power plant in Japan. This tragedy cost almost 20,000 lives and devastated countless more, including Naoto Matsumura, a farmer evacuated from the deadly radiation zone. Unwilling to abandon his beloved animals, Naoto chooses to return home to his farm — and to fight for the beauty of life. This important graphic novel from France alludes to Japanese legends as an ode to Mother Nature, and human resilience. (STL248042) Available Now!

O/A PEREMOHA: VICTORY FOR UKRAINE GN

(W/A) Various
Victory for Ukraine is a collection of short comic stories created by Ukrainian artists during the first weeks of the Russian invasion, channeling all their emotions — their anger, courage dreams, and despair into one goal, one manifestation of their nation's fight for survival! The war comes to readers (for ages 12+) in nine stories that humanize the conflict in Ukraine in a unique and emotionally lasting way with a focus on the heroism of the Ukrainian people and military in the face of overwhelming forces. Witness the struggles of brave defenders in cities like Kyiv, Mariupol, Kherson, and Snake Island, and how the utter insanity and irony of the war is told from the standpoint of a looted Ukrainian washing machine, and a humble farm tractor that wants to steal Russian tanks. FANTASY COSTUMES FOR MANGA, ANIME & COSPLAY SC

(A) Junka Morozumi,
Tomomi Mizuna

Create one-of-a-kind outfits with this essential guide to Japanese-style fantasy fashion! Using the authors' unique Costume Matrix, you will learn how to develop new and daring designs for your anime and manga characters and cosplay creations. First, choose a look to serve as your fashion foundation. Then select an alternate style and fuse it with the first fashion theme to create an unexpected ensemble combining elements have never before been seen together! Mixing and matching basic themes and styles in this way results in one-of-a-kind mashups and hybrids. Using the Costume Matrix, the fashion mashup possibilities are endless! A GIRL ON THE SHORE COLLECTOR'S EDITION HC

(W/JA/CA) Inio Asano

Eisner-nominated author, Inio Asano's *A Girl on the Shore* is now in a hardcover, collector's package! Koume Sato and Kosuke Isobe are two teenagers living in a sleepy Japanese seaside town. After getting used and dumped by her crush, the emotionally damaged Koume decides to start a relationship with Kosuke, without any emotions involved. However, they both soon discover that sex with no strings attached often leads to unexpected complications, not just for themselves but also the people around them. (STL277735) Scheduled to ship in August 2023. (C: 0-1-2) NOTE: No countries actually denied.

THE GIRL WHO BECAME A FISH HC

(W) Osamu Dazai (A/CA) Nekosuke
Another spectacular collaboration
from the Maiden's Bookshelf series,
this dark and intense fable by the
great giant of postwar literature is
brought to vivid life by contemporary
master Nekosuke. Suwa, a charcoal
burner's daughter, lives together
with her father in a small village at
a foot of a mountain so remote it
doesn't even appear on maps. Slowly
she comes to realize the dark futil-
ity of her life, leading to a strange
and elliptical transformation... Dazai
depicts the adolescent awakening
to death and the desire to escape
through this quiet and ominous tale.
(STL27734) Scheduled to ship in Au-
gust 2023. (C: 0-1-2) NOTE: No coun-
tries actually denied.

MY UNIQUE SKILL MAKES ME OP EVEN AT LEVEL 1 VOLUME 3 SC

(W) Nazuna Miki (A/CA) Subachi
Ryota Sato gets the surprise of his life
when he's suddenly transported into
another world and nearly clobbered
at the hands of the young, pretty ad-
venturer Emily Brown. This new world
revolves around defeating mon-
sters and profiting off whatever they
drop—food, money, items, and more.
Unfortunately for Ryota, he has no
skills to speak of... until he learns
he has otherworldly drop luck that
brings him never-before-seen items!
Suddenly his luck turns around... or
does it? (STL265002) Scheduled to
ship in August 2023. (C: 0-1-2)

WELCOME TO THE MATRIX, DIAMOND SELECT TOYS

Nearly twenty-five years after its debut, Lana and Lilly Wachowski's film *The Matrix* has proven both influential and enduring, and its techno-gnosticism — the world we believe we inhabit is an illusion, while the real world, the Matrix, is a hellish realm cloaked from us until we are awakened to its existence — and its hacker ethos captured the cultural moment at the turn of the millennium and remains resonant today.

Diamond Select Toys enters *The Matrix* this year with a new line of collectibles, beginning with *The Matrix Gallery: Agent Smith PVC Diorama*. Agent Smith, portrayed by Hugo Weaving, is a security program that runs within the "reality" of the Matrix, and this first release in Diamond Select Toys' range depicts Smith in his "attack mode." Standing 10" tall, sculpted by Jorge Santos Souza from a design by Nelson Ascencio, Diamond Select Toys' Agent Smith Statue is the perfect start your *Matrix* collection. Look for this and more Matrix releases in the months to come.

SPOTLIGHT ON

CHAINSAW MAN: POWER ARTFX J STATUE

From Kotobukiya. Power, Denji's buddy from the anime *Chainsaw Man*, comes to life in 1/8 scale! Her dynamic pose simply screams power! Her fine hair flowing in the wind is also not to be missed in this piece. Various details, including her casually worn uniform and sneakers have been carefully incorporated. Her dynamic and nimble fighting style has been faithfully recreated so that she will look impressive from any angle! (STL269657) Item has been previously solicited in *New to Order*. Scheduled to ship in October 2023. (4898/PV020) (C: 1-1-2) NOTE: Same as Denji 233, but with Mexico allowed.

Statue \$159.99

RESIDENT EVIL VENDETTA: CHRIS REDFIELD ARTFX STATUE (RENEW PACKAGING)

From Kotobukiya. Synonymous with the survival horror genre, the *Resident Evil* series has shipped over 131 million units worldwide. Now, Chris Redfield, the main character of the CG animated film *Resident Evil: Vendetta*, rejoins the Kotobukiya lineup as a PVC statue. In contrast with the Leon statue in this series, Chris dons his classic, heavy-duty, anti-B.O.W. combat gear. The unit insignia of the Silver Dagger, a small, elite BSAA counterterrorism unit, is displayed on both arms. The diorama base is styled after the mansion from the opening scene in the film, which takes *Resident Evil* back to its horror roots. (STL269659) Item has been previously solicited in *New to Order*. Scheduled to ship in October 2023. (4898/SV349) (C: 1-1-2) NOTE: Same as Denji 233, but with Mexico allowed.

Statue \$169.99

RESIDENT EVIL VENDETTA: LEON KENNEDY ARTFX STATUE (RENEW PACKAGING)

From Kotobukiya. Synonymous with the survival horror genre, the *Resident Evil* series has shipped over 131 million units worldwide. Now, Leon S. Kennedy, the main character of the CG animated film *Resident Evil: Vendetta*, rejoins the Kotobukiya lineup as a PVC statue. This statue sees Leon in the Center Axis Relock stance, a close combat shooting technique used by everyone from law enforcement agents to Hollywood and video game characters. Note the details of Leon's signature Sentinel Nine, a custom handgun designed for anti-bioterrorism, with a dedicated flash suppressor and high-capacity magazine. The base is reminiscent of the intense battle with a horde of zombies inside a building in the latter half of the film. (STL269658) Item has been previously solicited in *New to Order*. Scheduled to ship in October 2023. (4898/SV348) (C: 1-1-2) NOTE: Same as Denji 233, but with Mexico allowed.

Statue \$159.99

MY HERO ACADEMIA: MIRKO ARTFX J STATUE

From Kotobukiya. From the hit anime *My Hero Academia*, Mirko, currently ranked as the No. 5 Pro Hero on the Hero Billboard Chart JP, is joining Kotobukiya's lineup as a scale figure! She comes to life in a dynamic pose that shows off her Quirk, with her incredible leg strength and amazing leaping ability. Pay close attention to the details in the sculpt, such as her rabbit ears and muscles. (STL268818) Item has been previously solicited in *New to Order*. Scheduled to ship in March 2024. (4898/PV070) (C: 1-1-2) NOTE: Same as Denji 233, but with Mexico allowed.

Statue \$179.99

URUSEI YATSURA: LUM ARTFX J STATUE

From Kotobukiya. Lum, the beautiful space alien princess in 1/7-scale! The highlight has to be the cute pose she's striking as she looks this way with her ice cream in hand. Her flowing hair and classic outfit have been carefully sculpted, bringing her to life. The beauty of her soft and supple skin has been skillfully incorporated into this piece. Take a close look and enjoy Lum from every angle! (STL269656) Item has been previously solicited in *New to Order*. Scheduled to ship in October 2023. (4898/PV081) (C: 1-1-2) NOTE: Same as Denji 233, but with Mexico allowed.

Statue \$159.99

FATE/GRAND ORDER: SABER/AS- TOLFO PVC STATUE

From Kotobukiya. From the popular mobile game *Fate/Grand Order*, Saber/Artoria, who prefers to follow instinct over reason, joins Kotobukiya's scale figure series in the 1st Ascension state! Artoria comes to life with Vulcano Caligornate coiling around them like a whip, and careful attention was paid to faithfully recreating their equipment, such as the hip armor and scabbard. In addition to the outfit and equipment, their body line has been meticulously sculpted as well. The base is designed after the background of their card. (STL271886) Item has been previously solicited in *New to Order*. Scheduled to ship in November 2023. (4898/PV012) (C: 1-1-2) NOTE: Same as Denji 233, but with Mexico allowed.

YU-GI-OH! LEGENDARY DUELISTS SOULBURNING VOLCANO

The flames of battle burn bright in *Legendary Duelists: Soulburning Volcano*! Turn up the heat until your opponent can't stand it anymore with three strategies inspired by fiery Duelists from the pantheon of the Yu-Gi-Oh! anime series! Salamangreat is back with new cards inspired by Soulburner from Yu-Gi-Oh! VRAINS! Salamangreat is one of the most popular tournament-level strategies of the last decade, able to dish out 8000 damage in a flash. Its unique "reincarnation" gameplay makes your monsters gain a new power if you use them to Summon a second copy of themselves. So load up on extra copies of your favorite "Salamangreat" Extra Deck monsters! (STL277391) Item has been previously solicited in *New to Order*. WEREWOLF: THE APOCALYPSE 5E CORE RULEBOOK HC

(W) Justin Achilli & Various

(CA) Krzysztof Bieniawski

A Storytelling Game of Environmental and Spiritual Horror. Gaia is dying. The ices melt, while the seas swell. The heat rises, while the forests wither. Extinction threatens millions, in favor of the few. The Garou—warlike shapeshifters torn between Rage and spirit, between Wolf and Man, and champions of the earth-mother—have failed. The Apocalypse is here. Yet, a new generation of Garou now call upon their Rage to confront the forces of destruction, avarice, and greed ravaging the earth-mother. With tooth and claw the Garou will wrest her from the brink of death—or follow her enemies to the grave. Will you answer their howl? What legends will the Garou sing of you? When will you Rage? Utilize the 5th edition Storyteller system to create your chronicles within the World of Darkness. Includes everything you need to know to build your own character or guide a troupe as they explore their new forms. This 300+ page hardcover book also includes an introductory story to guide new *Werewolf* players and veteran *World of Darkness* enthusiasts through their first game. (STL277923) Item has been previously solicited in *New to Order*. (C: 0-1-2)

**BLOB PARTY GAME**

Blob Party is a cooperative party game where players start as individuals and try to become one big blob by giving all the same answers! It's not just metaphorical—each player starts with a small blob of dough and a googly eye. As you match with more and more other players, you merge blobs, growing larger and adding more googly eyes! Let's say the group starts with the Category of "Music" and the Word is "Lightning." All players write an answer on a dry erase card matching their googly eye, maybe "Bohemian Rhapsody," "David Bowie" or "Grease." Everyone reveals, and anyone who wrote the same thing becomes a blob and will work together for the rest of the game! A new Category and Word are revealed for the next round, where players and blobs once again come up with answers, hoping to match with others. As the game continues, blobs and individuals merge until (hopefully!)

everyone gives the same answer, becoming a Mega Blob and winning the game! (STL273951) Item has been previously solicited in *New to Order*. (C: 0-1-2) NOTE: NECA Category 5 items - Available in US, UST, Canada, Australia, New Zealand & select countries.
